THE #ROADTOCHANGE IS COMING TO JANESVILLE, WISCONSIN

*The March For Our Lives Founders will be joining Wisconsin student activists in Janesville,
Wisconsin on June 22nd*

MADISON, WISCONSIN, JUNE 18TH -- On June 22nd, the March For Our Lives Founders will be visiting Janesville, Wisconsin on the Road To Change tour. From 2PM to 6PM the March For Our Lives Founders will be at Optimist Park for a voter registration youth meetup. There will also be a panel discussion and Q&A with the Founders and Wisconsin student activists moderated by Khary Penebaker and Jack Larsen. This will last from 3:30PM to 4:30PM.

Road To Change - Janesville is part of a national effort to turn the energy of the March For Our Lives movement into voter empowerment. Wisconsin's leaders have still refused to take tangible steps to protect our state and nation from the epidemic of gun violence. This means it is time to change to makeup of our leadership if inaction persists. Our vote is our voice, and we have the power to make gun safety legislation a reality. By registering to vote in the August 14th primary election and the November 6th general election the voices of young Wisconsinites will be heard.

WHAT: Youth Meetup with the March For Our Lives Founders

WHEN: June 22nd from 2PM to 4PM
