Senator Erpenbach Statement on the motion to withdraw from the Affordable Care Act lawsuit

Madison – State Senator Jon Erpenbach released the following statement following Wisconsin’s motion to withdraw from the Affordable Care Act lawsuit.

“The motion to withdraw Wisconsin from the Affordable Care Act lawsuit is an enormous victory for our state. While Republicans have talked about protecting health care, they simultaneously were attempting to take Wisconsin’s coverage away. Now we will be able to move forward, and work on accomplishing the true wishes of the voters, including expanding access to comprehensive and affordable care for everyone in the state.”
