**STATEMENT IN RESPONSE TO COURT DECISION  
INVALIDATING GOP'S LAME DUCK LAWS**

“As predicted today’s court decision found Scott Walker’s and the Republicans’ power grab to be unconstitutional.

“Today’s decision exposed the Republicans’ lame duck session for what it was, a transparent attempt to hobble Governor Evers’ ability to fulfill his promises to the voters.

“Instead of playing childish, partisan games, legislative Republicans need to face the fact that we have a new governor with new priorities. And although they might disagree with him, they owe it to try find common ground so we can begin to move our state forward.

“The people rightly expect and deserve more.”
