**Planned Parenthood Advocates of Wisconsin Applauds Gov. Evers, AG Kaul
on Move to Protect ACA**

MADISON – Mel Barnes, Legal and Policy Director of Planned Parenthood Advocates of Wisconsin (PPAWI) issued the following statement in response to Wisconsin’s motion to withdraw from the lawsuit challenging the Affordable Care Act:

“We are pleased to see Governor Evers and Attorney General Kaul take action to protect the Affordable Care Act. Voters chose them because they campaigned on more health care for more people. It’s time Wisconsin stops putting politics ahead of making sure people are able to access the health care they need. This is an important step in making this a reality.”
