Rep. Hebl Statement on Lame Duck Lawsuit Decision

(MADISON) – Today Representative Gary Hebl (D- Sun Prairie) released the following statement regarding a judge’s decision to block the lame duck bills passed by the GOP-led legislature and former Governor Walker:

I applaud yesterday’s ruling to block the lame duck power grab by the Wisconsin GOP. They made an unlawful last-ditch effort to shift the power to themselves and away from the offices of the Governor and the Attorney General.

This is precisely why we created a system of check and balances- to ensure that power-hungry politicians cannot usurp power and override the will of the Wisconsin voters.

I think it’s about time we stop the posturing and get back to working for the people of our state. They spoke clearly last November that they wanted Governor Evers in charge. Now is the time to work together to do what is right for Wisconsin.
