STEVE CAIN WINS WITH 58% IN OZAUKEE COUNTY CIRCUIT COURT RACE

Cedarburg – On Tuesday night Steve Cain was the choice of over 58% of Ozaukee County voters to serve as the next Branch 2 Judge. He issued the following statement:

Thank you Ozaukee County! Heather, the boys and I are humbled by the support we received during the last three months of the campaign. Such an undertaking would simply not be possible without the encouragement, enthusiasm and determination of so many friends, family, and supporters.

I want to specifically thank Justices Kelly and Bradley, Judge Joe Voiland, Senators Stroebel and Darling, Representatives Brooks and Knodl, District Attorney Adam Gerol, and the dozens of local officials that supported the campaign. Their steady counsel was crucial.

However, most importantly, I want to thank the grassroots volunteers that came out to support our mission to bring a servant leader to the Ozaukee County courthouse. As proven by the victory of Justice-elect Brian Hagedorn, anything is possible when the grassroots is engaged and motivated. That was certainly the case with our campaign.

As I transition to Ozaukee Circuit Court, I remain steadfast in my commitment to be a servant of the law - to apply the law as written and to serve with integrity and honor. The quote that motivated me throughout the campaign will remain my motivation on the bench.   "First, a judge must be, above all else, a servant of the law – and not an enforcer of his personal predilections." I look forward to working collegially with all those involved in the Ozaukee County judicial system.

About Steve. Cain has served as a municipal court judge for nearly 10 years and has practiced law in Ozaukee County for nearly 20 years. He is an active community member having served as President of the Cedarburg-Grafton Rotary Club, Wisconsin Municipal Judges Association and Ozaukee County Bar Association. He resides in Cedarburg with his wife Heather and two sons.
