## Joan Ballweg Leadership Scholarship Winner

Grace Rauch Recognized for Leadership in School and Community

**Madison...**State Representative Joan Ballweg (R-Markesan) presented her first 15<sup>th</sup> Annual Joan Ballweg Leadership Scholarship on May 6<sup>th</sup> to Ripon High School Senior, Grace Rauch. Each year, five \$500 scholarships are awarded to outstanding students across the 41<sup>st</sup> Assembly District. Each scholarship winner will receive their award from Rep. Ballweg during their school's awards night.

“These scholarships are awarded to students who are active in and outside of the classroom, achieve good grades and are role models and leaders among their community,” said Ballweg. “Grace is an academically talented young woman, excels as a multi-sport athlete and has been involved in many community events around the Ripon area. This year’s group of leaders are ambitious and inspiring, and I know they will continue to do great things as they go on to pursue their degrees.”

**Grace Rauch, Ripon High School**, is a well-rounded student leader. Her strong work ethic has led her to be active in both academics and community service. She has served in roles in Student Council, Key Club, Future Business Leaders of America and much more. She will attend Barrett, the Honors College at Arizona State University this fall to study biological sciences.

“Congratulations, Grace! You’ve excelled as a student leader and have made your parents and community proud. Your next challenge is to take what you’ve learned through these experiences and go forward, making Wisconsin a better place for us all.”
