**Statement from Mayor Rhodes Conway and Common Council Leadership, Council President Shiva Bidar, and Council Vice President Barbara McKinney**  
Reacting to recently released video of an arrest made by Madison Police officers

We expect a fair and thorough investigation of this very disturbing video. The key to public confidence in the integrity of the investigative process is full transparency after the fact. We are committed to a higher level of transparency and taking a proactive, problem-solving approach to the difficult issue of handling mental health crises.
