Tim Rogers Announces Run for Congress

Milwaukee – Tim Rogers is proud to announce his candidacy for the 4th Congressional District currently held by Rep. Gwen Moore. Rogers ran as a Republican two years ago but lost in a year when Democrats had high turnout and took control of Congress.

“Congress is broken, our system is broken” Tim said. “Gwen Moore is a career politician that represents years of partisan grandstanding at the expense of our community. Our community suffers because politicians only focus on playing politics while our homes are broken and our community suffers from crime and poverty. We are focused on finding positive solutions and uniting the community.”

Our team looks forward to spending the next 17 months meeting with the community and learning how we can fix congress and put people ahead of politics.
