STATEMENT ON DEATH OF RACINE POLICE OFFICER JOHN HETLAND

“Every time a police officer leaves their house, they are risking their lives to protect others. Tragically, Racine learned that last night.

Officer John Hetland embodies what it means to be a police officer. Where some people might avoid confrontation to protect themselves, Officer Hetland went into action to protect our city and its people. My heart goes out to his family, friends, and the entire Racine Police Family. I ask that all of Wisconsin keep John Hetland and Racine in their prayers.

Always on duty.”
