Fox Cities Chamber Announces Kornfeind as May Ambassador of the Month

APPLETON, Wis. (June 21, 2019) – The Fox Cities Chamber of Commerce has announced Paul Kornfeind as the May Ambassador of the Month.

The Fox Cities Chamber Ambassador of the Month program recognizes a deserving person for their superior service and efforts to the Chamber organization and their dedication to helping businesses grow and prosper in the Fox Cities community.

Kornfeind is currently the General Manager of North Shore Golf Club in Menasha.

Engaging with his community, making connections, and helping to shape the future of the Fox Cities have been the drivers behind Kornfeind’s dedicated participation as one of the newest Fox Cities Chamber Ambassadors.

Not only has his involvement as a Chamber Ambassador allowed him to expand his personal and professional networks, but he’s found great value in helping to promote North Shore Golf Club and drive their membership. They are thrilled to be the host of the 2019 Fox Cities Chamber Golf Outing in July as well.

“Run, don’t walk, to join this fantastic group of people,” shared Kornfeind. “The value of being a Fox Cities Chamber Ambassador is outstanding, and the networking opportunities are second to none.”

The Fox Cities Chamber Ambassadors serve as the premier volunteer arm of the organization. They are a group of highly visible, highly engaged Chamber members typically attending Chamber events to build relationships with members and facilitate introductions that enable networking with other members. These volunteers are a valuable resource for information and assistance. They serve as conduits for relaying member needs, questions and concerns back to the Chamber. The Fox Cities Chamber Ambassadors are an extension of the Chamber brand, existing to promote the work of the Chamber and serve as the Chamber’s primary liaison to members.
