BRADLEY ANNOUNCES NEW HIRE AND PROMOTION IN SALES ORGANIZATION

MENOMONEE FALLS, Wis., (August 20, 2019) — Bradley Corp., announced that Mark Owens has been hired as its Director of Commercial Sales and Mike Vickery has been promoted to Commercial Business Development Director. The job appointments have been made as the Menomonee Falls-based manufacturer of plumbing fixtures, restroom accessories and emergency equipment reorganizes its sales organization.

Mark Owens, Bradley's new Director of Commercial Sales, will oversee sales growth by building relationships with industry customers, leading sales teams and strategic management of the wholesale rep channel. Owens, who is based in St. Louis, MO, comes to Bradley from Lixil Water Technology, bringing a number of years of sales experience with multiple plumbing manufacturers.

Mike Vickery has been promoted to Commercial Business Development Director, and will lead Bradley's Commercial Washroom Business Development Specification Team as well as spearhead the company's new Inside Sales and Account Management Team. A ten-year Bradley veteran who works in Bradley's Menomonee Falls headquarters, Vickery has held multiple positions in Bradley's sales organization, including Government Specifications Manager and Division 10 National Sales & Service Manager among others.

For over 95 years, [Bradley](http://www.bradleycorp.com) has created the most complete and advanced commercial washrooms and comprehensive solutions that make industrial environments safe. Bradley is the industry's leading source for multi-function hand washing and drying fixtures, accessories, partitions, solid plastic lockers, as well as emergency safety fixtures and electric tankless heaters for industrial applications. Headquartered in Menomonee Falls, Wis., USA, Bradley serves commercial, institutional and industrial building markets worldwide. For more information visit <https://www.bradleycorp.com>.
