## Senator Tiffany's Statement on Congressman Duffy's Resignation

Minocqua – Tom Tiffany (R-Minocqua) released the following statement regarding the resignation of Congressman Sean Duffy:

“I would like to thank Congressman Sean Duffy for his service to the State of Wisconsin. Sean has been a great advocate on behalf of the constituents of Northern Wisconsin. I have enjoyed working with him on a number of issues, and he will be missed. My wife Chris and I send Sean, Rachel, and the Duffy family our very best as they begin a new chapter.

“Since Sean’s announcement this morning, I’ve been receiving a number of calls asking about what’s next. I plan to talk to my wife Chris and my daughters, and my future plans will be announced soon.”
