**First Bank Financial Centre named “Best Bank to Work For” By
American Banker For The 4th Year in a Row.**

Milwaukee (August 29, 2019) – First Bank Financial Centre (FBFC), a full-service, community bank that has served southeastern Wisconsin since 1859, has been named a “Best Bank to Work For” by American Banker Magazine for the 4th year in a row. This national recognition was awarded to 85 banks in the country. FBFC was one of six Wisconsin banks and the only Milwaukee-area bank to make this list.

“It’s truly an honor to be recognized among the best financial institutions in the country. Our employees are committed to making lives better for our customers, and each other, and this award is recognition of all their continued hard work and dedication,” said Mark W. Mohr, FBFC President and CEO.

The program, which was initiated in 2013 by American Banker and Best Companies Group, identifies, recognizes and honors U.S. banks for outstanding employee satisfaction. Full results of this year’s program are available at www.americanbanker.com and in an upcoming issue of American Banker Magazine.

Determining the “Best Banks to Work For” involves a two-step process. The first step involves an evaluation of participating companies’ workplace policies, practices, and demographics. In the second step, employee surveys are conducted to directly assess the experiences and attitudes of individual employees with respect to their workplace. The combined scores determine the top banks and the final ranking.

The program is open to commercial banks, thrifts, savings banks and other chartered retail financial institutions with at least 50 employees in the United States.
