Senator Tiffany and Representative Felzkowski Visit Tomahawk Health Services

TOMAHAWK— State Senator Thomas Tiffany (R - Minocqua) and State Representative Mary Felzkowski (R-Irma) visited Tomahawk Health Services to tour the skilled nursing facility, meet with residents, and present a Legislative citation.

“We were honored to have both Senator Tiffany and Representative Felzkowski visit our center and present us with a Legislative citation recognizing our journey in quality improvement,” said Jim Torgerson, Executive Director of Tomahawk Health Services. “We greatly appreciate their support of the long-term care provider community and the work that we do to serve seniors in the state of Wisconsin.”

Tomahawk Health Services invited Senator Tiffany and Representative Felzkowski to tour the facility following their recent recognition as a 2019 recipient of the Bronze – Commitment to Quality Award by the American Health Care Association and National Center for Assisted Living (AHCA/NCAL). The distinction is the first of three progressive award levels through the AHCA/NCAL National Quality Award Program. As a recipient of the Bronze - Commitment to Quality Award, Hammond Health Services may now move forward in developing approaches and achieving performance levels that meet the Silver - Achievement in Quality Award criteria.

About North Shore Healthcare

North Shore Healthcare and its facilities proudly serve communities in Wisconsin, Minnesota, and North Dakota by offering long-term skilled nursing care, short-term rehabilitation, and assisted living facilities. With organizational values such as trust, engagement, competence, respect, and passion, North Shore is dedicated to being the right choice for families and employees by establishing a culture that reinforces the values necessary to be the premier health services provider and employer in each of the communities they serve.
