

TOM PALZEWICZ

for Congress

For Immediate Release: 9/26/2019

Tom Palzewicz announces 2020 candidacy for 5th Congressional District. An open seat and Washington discourse has voters eager for a new vision for furthering the Country. “Our campaign isn’t going to litigate the past; we’re going to address the issues facing hard working Americans. In the 5th Congressional District we share our values, we share in our pride in our community. We share in the American dream. I’m up to the task of making sure our voices are heard in Washington equally”

The Palzewicz campaign will hold an exciting kick off event on Sunday October 13 from 2-4pm at Raised Grain Brewing company in Waukesha, WI. A businessman himself, Tom understands the value of local business.

“Our Country is in turmoil. Wisconsin will be the key to deciding our next President, and the 5th Congressional District, including crucial Waukesha County, will be the center of that decision. Our campaign is poised to make history. Our time is now, and we look forward to sharing our message on October 13th.”

Tom Palzewicz ran for this 5th Congressional seat in 2018 against then incumbent Rep. Jim Sensenbrenner earning 38% of the vote, more than any challenger had accomplished in more than a decade. Wisconsin’s 5th Congressional District includes voters who reside in Washington, Waukesha, Walworth, Dodge, Jefferson and Milwaukee Counties.
