AFSCME Wisconsin Welcomes New Executive Director Patrick Wycoff

AFSCME Wisconsin is proud to welcome Patrick Wycoff in his new role as Executive Director of AFSCME Wisconsin Council 32, effective Saturday, October 12, 2019.

Wycoff has a rich AFSCME history and deep devotion to the labor movement. In 1998, Wycoff was hired as a laborer at Winnebago Mental Healthcare and immediately became an AFSCME member. Wycoff rose through the ranks, and served as his local union's steward, treasurer, and president, AFSCME Wisconsin Executive Board member, and AFSCME Wisconsin Assistant Director. Since January 2019, Wycoff filled the position of AFSCME Wisconsin Interim Executive Director. Wycoff looks forward to restoring and strengthening the voice of public employees, advocating for Wisconsin's communities, and fighting for those who make Wisconsin happen.
