ASSEMBLY DEMOCRATS WELCOME GOVERNOR EVERS TO 'SOME ASSEMBLY REQUIRED' PODCAST

MADISON – This week, Assembly Democratic Leader Gordon Hintz (D-Oshkosh) welcomed Governor Tony Evers as a guest on the *Some Assembly Required* podcast. The governor discussed the first 10 months of his term, and the issues and priorities most important to the people of Wisconsin. Representative Hintz released the following statement:

“It was an honor to have Governor Evers as a guest on our podcast. Sitting down with him reinforced all the reasons he’s such a popular governor. He’s the same person in any setting and his priorities are the priorities of the people of our state. Assembly Democrats will continue supporting the governor’s agenda in the fall session and beyond, and I thank him for taking the time to join us on the podcast.”
