## **GOP Weekly Radio Address: Happy Thanksgiving!**

**MADISON** –Rep. Mary Felzkowski (R-Irma) delivers this week’s GOP radio address.

*I’m Representative Mary Felzkowski. As we all prepare for the holidays and get ready to sit down around the Thanksgiving table with our friends and families, I’d like to take a moment to reflect on how lucky we are to live in such a wonderful state, and how grateful we all are to serve you.*

*One of the great things about Wisconsinites is that we all lift each other up when it counts. I see neighbors helping neighbors, students volunteering at the nursing homes and support pouring into the food pantries and the local shelters.*

*We’re proud to come from such incredible communities across the state and serve as your voice down in Madison. So on behalf of the Assembly Republican Caucus, Happy Thanksgiving!*
