## **Rep. McGuire Statement on Gov. Evers’ “Routes to Recovery” Grants for Local Governments**

MADISON – The following is a statement from State Representative Tip McGuire on Gov. Evers’ announcement of “Routes to Recovery,” a \$200 million local government aid program using federal CARES Act funding:

“Since this pandemic began, our counties and municipalities have been a critical resource for the people and businesses in our community who have been impacted the most. I am thankful to Gov. Evers for his support of the important work that local government has done and will continue to do as we navigate this crisis together.”

Gov. Evers has directed the Department of Administration to distribute the following amounts to local units of government in the 64<sup>th</sup> Assembly District:

Racine County: \$3,194,395  
Kenosha County: \$2,764,936  
City of Kenosha: \$1,623,169  
City of Racine: \$1,259,098  
Village of Mount Pleasant: \$438,563  
Village of Somers: \$143,148  
Town of Somers: \$20,354  
Village of Elmwood Park: \$7,901
