Brad Pfaff raises more than \$155,000 in two months

Overwhelming show of support for Pfaff's campaign to bring change to Madison

Onalaska -- Since announcing his campaign for Wisconsin State Senate in late April, Brad Pfaff, raised over \$155,000 with more than 600 individual contributors.

"The support these first two months has been tremendous," said Pfaff. "The voters of western Wisconsin know they need a State Legislature that works for them. They also know that these times demand action, they demand cooperation and they demand change. We can't let pettiness or partisanship stand in our way any longer. I'm humbled by the faith that they've put in me these last two months and I am grateful for their support. I look forward to continuing to get my positive message out to the people of western Wisconsin."

Brad was raised on a dairy farm in northern La Crosse County and has dedicated his career to Wisconsin farmers and rural communities. The 32nd Senate District includes La Crosse, Vernon, Crawford and Monroe Counties.
