**Watertown, WI** – As we watch the daily news about the latest court filings from the Trump campaign as it pertains to irregularities across the country at the ballot box, let's all pray that justice will prevail.

Thankfully the election of WI State Senator Scott Fitzgerald to Washington representing Wisconsin's 5<sup>th</sup> Congressional district was a successful race. In preparing my candidacy to run to replace Scott Fitzgerald in the State Senate, I am announcing my contribution of \$100,000 to my campaign that will be added to money that has already been donated. I am serious about this race and the importance of the 13<sup>th</sup> Senate District remaining on a solid conservative foundation.

Socialism has invaded many of our educational institutions, governmental bodies, and the Democrat party. I joined the US Air Force during a time of war and served a 4 year hitch to protect the freedom I inherited from those who came before me; not to see the country I love slowly drift toward Socialism. I will continue to fight for our Constitution and the freedoms we still enjoy. That will be my absolute priority if I am honored to have the confidence and votes of the citizens of the 13<sup>th</sup> Senate District.
