## **Statement: New Grants for Wisconsin Restaurants**

**Madison...**Speaker Robin Vos (R-Rochester) released the following statement after Governor Tony Evers announced the grant program, We're All In For Restaurants, that will provide \$45 million in assistance to restaurants and other targeted businesses, according to the governor's press release this morning.

"I would like to thank the Governor for focusing on the hospitality industry just as the Assembly GOP plan released this week. Restaurants have suffered immensely from the local restrictions and lockdowns during the pandemic. These establishments are important fixtures in our communities and I'm pleased that federal dollars are going to help them through these difficult times."
