Rep. McGuire Statement on Swearing-In

KENOSHA – Today, Rep. Tip McGuire was sworn-in as State Representative for the 64th Assembly District for a second term. Rep. McGuire was sworn-in locally, along with Senator Bob Wirth and Rep. Tod Ohnstad, by Kenosha County Judge Mary Kay Wagner.

“I am deeply grateful to my constituents in the 64th Assembly District for giving me the opportunity to represent them once again in the State Assembly.” said Rep. McGuire. “My first priority will always be fighting for the small businesses and working families in my district and in our state. After an incredibly difficult year for our community, now more than ever, we need policies that ensure that Wisconsinites have a pathway to economic security, including support for the Main Street businesses that create family-supporting jobs, quality education and healthcare, and affordable homeownership.”
