## Rep. McGuire Co-Sponsors Comprehensive COVID-19 Package

MADISON – This morning, on the first day of the new legislative session, Wisconsin Assembly Democrats unveiled a comprehensive COVID-19 package to address the ongoing pandemic in our state. The legislation introduced today addresses critical needs in our communities, including necessary investments in COVID-19 testing, tracing, and vaccine roll-out, as well as support for our Healthcare Heroes, grants for small businesses, and child care assistance for working families.

“As cases continue to rise in our state, Wisconsin needs to bridge the gap between today and the full deployment of the COVID-19 vaccine,” said Rep. Tip McGuire. “The Wisconsin Legislature has been one of the least active state legislatures in addressing the global COVID-19 pandemic, but today, on the first day of the new legislative session, we have an opportunity for a fresh start: to take action on the most important issue facing our state, and protect the health, safety, and economic security of the people of Wisconsin.”

The legislative package includes the following provisions:

1. Funding and policies for continued public health response efforts - total of \$466M
  - a. COVID-19 testing: continue funding community testing sites - \$58M
  - b. Contact Tracing: further expand state and local contact tracing - \$36M
  - c. Testing Supplies and Lab Diagnostic Materials: distribute to testing sites statewide - \$255M
  - d. Hospital System Surge Capacity Support, including alternate care facility operations - \$105M
