Wisconsin Economic Development Association Thanks Governor Evers for Commitment to Economic Development

Madison, WI – Wisconsin Economic Development Association (WEDA) President and CEO Mary Perry issued the following statement on Governor Tony Evers' economic development plan as part of his 2021-23 biennial state budget proposal:

"The Wisconsin Economic Development Association would like to thank Governor Evers for understanding the need to support Wisconsin businesses and spur new opportunities for growth and job creation as our economy continues to face significant challenges from the coronavirus pandemic. His \$329 million economic and workforce development budget proposal strikes the right tone, and our members look forward to working with his administration and the Legislature on key economic development investments during the state budget process."

About WEDA

The Wisconsin Economic Development Association, founded in 1975, is a statewide non-profit organization dedicated to growing Wisconsin's economy. Driven by the needs of our 400-plus members, we represent the economic development interests of both the private and public sectors through advocacy, education, and leadership on statewide initiatives.
