Rep. Duchow Appointed to State Capitol Executive Residence Board

Madison, WI – Rep. Cindi Duchow (R-Delafield) has been appointed the State Capitol Executive Residence Board (SCERB) by Assembly Speaker Robin Vos. In recent years, the most prominent focus of the Board has been the restoration, renovation and continued maintenance of the State Capitol Building and Executive Residence.

“I am incredibly honored that Speaker Vos has selected me to further serve the people of Wisconsin by sitting on this important board,” Rep. Duchow said. “Our State Capitol Building has been a historical icon for over 100 years and will continue to be admired for decades to come.”

The 16-member State Capitol Executive Residence Board consists of a diverse, bipartisan group of legislators, department officials and citizen members with specified expertise who together are tasked with directing the continuing and consistent maintenance of the property, decorative furniture and furnishing of the State Capitol and Executive Residence. The Board held its first meeting virtually on January 25th to discuss both updates and future plans for the State Capitol and Executive Residence in the coming months.

“I am also thrilled to be to a member of the SCERB Garden Master Plan & Capitol Park Subcommittee as well as the Furniture and Finishes Subcommittee. I look forward to working closely with my fellow board members on necessary restorations and new initiatives that will have a lasting impact for all to enjoy.”
