Rep. Armstrong Responds to Governor's Budget Address

MADISON, WI –Rep. Dave Armstrong (R-Rice Lake) joined his fellow legislators at the State Capitol Tuesday night to hear Gov. Tony Evers' budget address.

“Governor Evers presented his 2021-2023 budget proposal to the Legislature last night,” Representative Armstrong said. “It’s a massive document and includes many policy proposals that don’t belong in a fiscal instrument like the budget, such as marijuana legalization. However, I look forward to digging into the details – particularly his economic development and workforce plans, about which I have several questions and concerns – and working with my legislative colleagues over the next few months to develop a responsible budget that stays within Wisconsin’s means and reflects Wisconsin values.
