Rep. Sanfelippo Calls for Committee to Formally Investigate Elections Law Violations

MADISON, Wis. – After the conclusion of the Informational Hearing in the Assembly Committee on Campaigns and Elections today, Rep. Sanfelippo released the following statement:

“Our state elections laws are intended to provide equal protection for all of our citizens as they exercise their right to vote. Based on the sworn testimony we heard today, as well as the internal documents from the city of Green Bay that were presented to the committee, there is clear evidence that these laws were broken. Consequently, I call upon the committee to exercise its investigation authority, which includes subpoena powers, in order to determine the extent to which our elections laws were, in fact, broken and to identify what statutory changes may be necessary to ensure the fair conduct of future elections.

“It is our duty to the citizens of Wisconsin to vigorously investigate whether these violations of the law were intentional and, if so, to hold the responsible person or persons accountable.”
