League of Women Voters of Wisconsin Publishes Online Voter Guide Ahead of Spring Election

[MADISON, Wis.] - In order for Wisconsin voters to feel confident voting in the upcoming spring election on April 6, the League of Women Voters of Wisconsin (LWVWI) recently published its personalized voter guide on VOTE411.org/es in Spanish.

"Spanish-speaking voters in Wisconsin have limited access to election-related information and it can be difficult to find nonpartisan and unbiased candidate information, especially during local, nonpartisan elections" said Eloisa Gómez, chair of Comité por el Voto Latino/Latinx Voter Outreach (CVL-LVO) of the League of Women Voters of Milwaukee County. "Having this resource available in Spanish allows more voters in Wisconsin to participate in local elections and make important decisions about our state's next leaders, such as the state superintendent of public instruction.

VOTE411 is a "one-stop-shop" for election-related information, where voters are able to easily navigate a comprehensive guide containing unbiased candidate information, as well as information on how to request an absentee ballot and details on upcoming candidate forums around the state. With limited opportunities to learn about the candidates in person due to the ongoing pandemic, online voter guides like VOTE411 are especially important for voters making their plans to vote during this public health and economic crisis.

"On April 6, Wisconsin voters will be casting their ballots for those who will lead in our schools, hold judicial seats on circuit and appellate courts and advocate for our communities at the local level," said Eileen Newcomer, LWVWI voter education manager. "That is why the League is committed to providing Wisconsin voters with essential election information at all levels of government."

On the ballot are candidates for the state superintendent of public instruction, court of appeals judges in Districts I, II and III, circuit court judges and other nonpartisan local races. The special primary elections for State Assembly District 89 and State Senate District 13 will also be covered in our guide.

In addition to VOTE411, voters can learn more about each position by visiting the LWVWI website, where there are informational fact sheets on the [state superintendent](#), [circuit court judges](#) and [court of appeals judges](#).

Wisconsin voters can access information about the upcoming election at vote411.org/es/ballot.
