### FOR IMMEDIATE RELEASE

March 22, 2021

## BROWN COUNTY CLERK'S OFFICE EARNS "PERFECT" SCORE

(Brown County, Wis.) – The Brown County Clerk's Office has earned a "Perfect" score from the Acceptance Facility Oversight review from the United States Department of State for our Passport Application Acceptance Program operations.

"As a full-service Passport Acceptance Agency, the Brown County Clerk's Office is happy to offer this vital government service to all citizens of Northeast Wisconsin for their travel needs", said County Clerk Patrick W. Moynihan, Jr.

The Brown County Clerk's Office possesses all the necessary passport application forms and photo capabilities for complete passport processing needs. We also have bilingual-Spanish speaking staff to assist applicants whose primary language is Spanish. We encourage applicants seeking information about passports to proceed to [www.browncountywi.gov](http://www.browncountywi.gov) or contact the Brown County Clerk's Office at 920-448-4016 for professional guidance and direction.

Moreover, applicants born in Wisconsin if not in possession of their Birth Certificates and/or Marriage Licenses may obtain copies of each from the Brown County Register of Deeds Office, which is also conveniently located in the Northern Building.

In preparation of personal or business travel returning to pre-pandemic levels, it is important to note that current U.S. passports processing times remain quite lengthy; 10-12 weeks for routine service and 4-6 weeks for expedited service.
