State Senator Kathy Bernier

A Responsible Stimulus Plan

(Madison)... Today State Senator Kathy Bernier (R-Lake Hallie) joined legislative colleagues in circulating 11 bills to assist the Governor in crafting a plan to invest one-time federal funds into areas of greatest need. The **Responsible Stimulus Plan** is designed to *Invest in People, Improve Infrastructure, and Boost Our Economy*.

“With this one-time, massive cash infusion, we cannot let Governor Evers repeat the mistakes of the past by creating ongoing obligations with temporary assets,” said Senator Bernier. “Once again the Legislature is offering to work *with* the Governor to fill the gaps the pandemic has created.”

“With our COVID-19 relief bill, we offered to work with the Governor yet he vetoed it. With Truth in Spending, we offered to partner with the Governor and again he said ‘no.’” added Sen. Bernier. “Now as we deliver a sustainable plan I hope the Governor finally says ‘yes’ to supporting nursing homes, broadband expansion, water quality, and road maintenance.”
