Instilling Confidence in the Election

MADISON, WI- Representative Gae Magnafici (R- Dresser) announced her intentions to support multiple bills that ensure confidence in the election. Rep. Magnafici said the following:

“Liberal activist election officials in Madison, Milwaukee, Green Bay, and other liberal strongholds did everything in their power to put ballots in the hands of Democrats during the 2020 election. They skirted the law and colluded with big tech to ensure the outcome they wanted.

Never again should the election be influenced by backroom dealings. We in the legislature have a duty to ensure no one can hack or steal our elections. Therefore, I am voting yes on these election integrity bills to ensure activist election officials cannot influence the election ever again.”

Today the Assembly will be voting on AB 179, 198, 201, and SB 210.
