Wichmann Town Hall

The United Constitutionalists of Marinette County is a respected political group in the county. Group officials have met and spoken with Jonathan Wichmann on his values, concerns, and beliefs. Following the conversation, our two parties organized an event that would excite all Marinette County Citizens, and Wisconsinites from everywhere in the state. That event is a Town Hall, moderated by UCMC Co. Chairman, Jon Shaw, where the audience members can engage directly with Jonathan Wichmann. The event isn't just about politics, either. The hosting restaurant has a great menu and will feature an open bar.
