Radio Address: Representative Tony Kurtz on the 20th Anniversary of 9/11

MADISON – Representative Tony Kurtz (R - Wonewoc) released the weekly radio address on behalf of Wisconsin Legislative Republicans.

Saturday, marks the twentieth anniversary of the 9/11 terrorist attacks, one of the darkest days in America's history.

But in the days that followed, Americans of all backgrounds, colors, and religions banded together to support our first responder heroes and uplift our nation.

There is no doubt the events of 9/11 changed our country forever; let us all take time to remember the victims, families, survivors and heroes who ran to help.

We must never forget. I invite you to talk about what happened, sit with loved ones sharing your stories, watch a documentary from one of the many networks commemorating the anniversary this week, or visit the Wisconsin 9/11 Memorial & Education Center in Kewaskum.

Their mission is to build and sustain a 9/11 memorial to remember the victims, honor those who responded, celebrate the resilience of our communities and country, and educate future generations.

Discussing our experiences and hearing the perspectives of those most impacted will ensure we will never forget. God Bless America.
