**Cc:** Heilman, Cheryl W - DNR <Cheryl.Heilman@wisconsin.gov>; Ambs, Todd L - DNR <todd.ambs@wisconsin.gov>  
**Subject:** No Items for September  
**Importance:** High

Hi Doc:

I hope that you had a good holiday weekend.

The Department has determined that there are no items that require consideration by the Natural Resources Board at the meeting scheduled for September 22. Therefore, the Department will not be proposing any agenda items and the Department does not plan to be in attendance or supporting the meeting. Given that the Department will not be proposing any agenda items and will not be staffing the meeting, we recommend that the Board meeting be cancelled. Items that had been considered for the September meeting may be scheduled for a later NRB meeting.

If you agree the meeting should be cancelled, please let us know and we will issue a notice that the September meeting has been cancelled.

Todd
