## Rep. Wichgers Supports the Efforts of Racine County Sheriff Christopher Schmaling

**Madison, WI** – State Representative Chuck Wichgers (R-Muskego) attended the press conference in Racine County today to hear about the findings of the Racine County Sheriff’s office regarding election law violations. Rep. Wichgers released the following statement:

“I want to thank Sheriff Schmaling and his team for all of their hard work and their determination to root out fraud in our elections.

“I agree with Sheriff Schmaling’s assessment that every person should have their vote counted legally and fairly. We must restore the integrity of our elections for all of our citizens.

“With the release of the Legislative Audit Bureau’s report last week and the findings by the Racine County Sheriff’s office today, legislators from both sides of the aisle can no longer ignore the ineffectiveness and lawlessness of the Wisconsin Elections Commission.

“The State Legislature passed [Senate Bill 205](#) in June of this year to deal with illegal voting practices at nursing homes and Governor Evers vetoed the bill. Exploiting our most vulnerable citizens and their constitutional right to vote should not be treated lightly. This is shameful.”
