RE: **Godlewski Q3 FEC Filing**

The Sarah for Wisconsin US Senate campaign announced today it will report for the FEC Q3 filing $1.36 million received in contributions and ending the quarter with approximately $786,000 cash-on-hand.

In addition to her own Q3 investment, grassroots donors are fueling Sarah's campaign:
- 93% of individual contributions were $100 or less.
- 71% of individual donors were from Wisconsin
- She never has and never will take a dime from corporate PACs

Sarah has won two statewide campaigns and knows firsthand how tough Wisconsin elections can be. Ron Johnson, Mitch McConnell, and their dark money GOP allies will do, say, and spend anything to keep this seat red. Sarah refuses to be outworked by them and is putting her money where her mouth is to make sure our campaign has the resources we need to win.

Sarah's campaign and her message are resonating with voters in every corner of this state because she is taking on the tough fights that matter most to the workers, families, and people of Wisconsin:

- **'You've got to get the infrastructure package done': Godlewski says Democrats need to push through big bills**
- **Abortion justice rally held in Oshkosh**
- **Godlewski calls on U.S. Supreme Court Justice Stephen Breyer to retire**
- **Sarah Godlewski: As senator, I'll tax wealth, including my own**
- **Democratic Senate candidate Sarah Godlewski talks tax credits, Afghanistan during Milwaukee appearance**
- **Democrat Sarah Godlewski puts $1 million in U.S. Senate campaign, hires 3 key staffers**

There's a reason why Ron Johnson has already attacked Sarah Godlewski in this race and no one else--he's scared.

Sarah is the first candidate in this race to receive donations from all 72 counties. She has also received over 40 endorsements from current and former Wisconsin elected officials, from Superior to Janesville, and all points in between, and has also earned the endorsement of the highly influential EMILY's List.
