Radio Address: Representative Tony Kurtz on Veterans Day

MADISON – Representative Tony Kurtz (R - Wonewoc) released the weekly radio address on behalf of Wisconsin Legislative Republicans.

Today really is an honorable day, and today we take contribute to thank all the men and women, past and present, that have served this nation. I would be remiss if I didn't thank my fellow veterans in the State Assembly.

Since the Vietnam War, since 1973, we've had an all-volunteer military. So if you think about it, for almost 50 years, those men and women have volunteered to serve this nation. Less than 1% will wear the uniform and it's something that we need to appreciate and honor.

Today is that day to do that, but also each and every day, thank a veteran and appreciate their service.
