Representative Krug's "Mill Bill Two" Passes in the Assembly with Overwhelming Bipartisan Support

MADISON - Representative Scott Krug (R-Rome) and local leaders are excited about the future of paper mills in Wisconsin and the meaningful impact they will continue to have on our communities throughout the state. Following unanimous support from his colleagues in the Assembly Committee on Forestry, Parks and Outdoor Recreation earlier this week, and tremendous bipartisan support from the entire state assembly during Thursday's session (96 yes-2 no), Representative Krug says that he is excited for his colleagues in the senate to approve this bipartisan legislation that offers an opportunity for our communities to prosper, and send it to Governor Evers to sign in to law
