CAVALIER JOHNSON CAMPAIGN STATEMENT ON MILWAUKEE MAYORAL POLL

MILWAUKEE—The following is a statement from Daniel Bauman, spokesperson for Mayor Cavalier Johnson’s campaign:

“Mayor Johnson is focused on making Milwaukee safer, getting vaccine shots into people’s arms, ensuring city services are provided, creating family-supporting jobs, and resetting the city’s relationship with Madison.

“These polling results demonstrate broad support for Mayor Johnson’s leadership and his agenda, and he will continue to make his case to the voters through the February primary and April general election.”
