I CONDEMN SPEAKER VOS' UNETHICAL ACTIONS AGAINST STATE REPRESENTATIVE TIMOTHY RAMTHUN

Representative Robin Vos has removed the staff of Rep. Timothy Ramthun and reallocated the staff to Rep. Jim Steineke's office. Vos made the move by sending his chief of staff, Jenny Tofnes into Ramthun's office to tell him.

Speaker Vos is attempting to intimidate and manipulate State Representative Timothy Ramthun by hurting his office which in turn hurts the people that he represents. Rep. Ramthun has been fielding emails and calls from across Wisconsin and the nation regarding the evidence he and others have brought to light from the 2020 November election.

Representative Ramthun has presented truth, facts, and evidence in his "Let There Be Light" series of press releases and it is believed that the removal of office staff by Speaker Vos is in retaliation for implicating the speaker to these actions.

It's time for the people of Wisconsin to take back our government and stop those who hurt the effort to move Wisconsin forward! This is exactly what I have been and will continue to fight against. It's time to tell Speaker Vos that, "We the People demand transparency from our elected representatives." I condemn Speaker Vos' unethical actions against State Representative Ramthun and call for his immediate resignation.
