Milwaukee, WI – Absentee ballots for the April 5 Spring & Special Election are being mailed today! The City of Milwaukee Election Commission is pleased to announce that voters will have multiple return options when voting an absentee ballot by mail. A Waukesha circuit court has recently ordered the Wisconsin Election Commission to remove all guidance on unstaffed, 24 hour drop boxes. As a result, **City of Milwaukee secure drop boxes will not be open for 24 hour service this election.**

However, we still seek to offer convenience for voters who may not want or have time to mail their ballot through the United States Postal Service. **Voters can return their ballot to any of the nine (9) early voting sites during early voting hours. Additionally, we will be offering drive-up drop-off on both Saturdays at every early voting location from 10:00am - 3:00pm.** Voters will not need to leave their cars to drop off their ballots with an election worker. Voters across Wisconsin have shown a desire and demand for convenience voting options. The City of Milwaukee remains committed to making voting as easy and accessible as possible for our citizens.
