

Press Release

My name is Adam Brabender and I'm announcing my candidacy for the 79th assembly district being vacated by Rep. Hesselbein, who is running for the 27th state senate. I realize I will have big shoes to fill, if I get elected to the assembly. I won't be able to accept a salary for the first year while in office, because I have three years of the federal government monitoring my income, to get rid of my student loans.

Sincerely,

Adam Brabender
