**RACHAEL CABRAL-GUEVARA ENDORSED BY REPRESENTATIVE
ELIJAH BEHNKE**

[Fox Crossing, WI] – Today, State Representative Elijah Behnke (R-Oconto) announced his endorsement of Rachael Cabral-Guevara in her run for State Senate.

“I’m proud to support my good friend Rachael for the Wisconsin State Senate. In a time of uncertainty, Rachael has been on the front lines in healthcare and government. While I am saddened that Rachael will no longer serve with me in the Assembly, I am excited to collaborate with her in the Senate,” Rep. Behnke stated.

Behnke currently represents the 89th Assembly District, encompassing portions of Brown, Marinette, and Oconto counties. He has been serving the district since 2021.

“I am proud to call Rep. Behnke a friend and colleague. I’m honored to receive Elijah’s support in this race. He has been a strong supporter of parental rights in education and transparency in government, I look forward to continuing to work together in the state legislature,” said Rep. Cabral-Guevara.
