Gov. Scott Walker Endorses Jacobson for SD29

State Senate Candidate, Mayor Endorsed by Conservative Reform Leader

Wausau, WI – Brent Jacobson, mayor of Mosinee, today announced the endorsement of former Gov. Scott Walker for his 29th Senate District campaign.

Gov. Walker, a champion for school-choice and sweeping conservative reforms in Wisconsin, praised Jacobson for his leadership on the local level as well as his conservative principles.

“Brent Jacobson is a strong, proven conservative leader. We need more leaders with local, real-world experience who are pro-life, pro-jobs, and pro-law enforcement. I am proud to endorse Brent Jacobson for the State Senate,” former Gov. Walker said.

Jacobson said he’s honored to have the former governor’s endorsement and support, and he pledged to fight for conservative values in Madison on behalf of the 29th Senate District and the state of Wisconsin.

“I am honored to receive Governor Walker’s endorsement. I will take the knowledge and experience I have gained during my time as a County Supervisor and nearly four terms as Mayor of Mosinee to Madison to be a strong conservative voice for the people of the 29th Senate District.”

Jacobson is the only candidate for the 29th Senate District to receive a major endorsement. Governor Walker’s endorsement follows public support from Former Governor Scott McCallum.

Gov. McCallum said, “I have respected Brent’s public service and commitment to his community as Mayor of Mosinee. Brent is the right person for the job, I am confident he is up to the task, and I hope you will join me in supporting him.”
