Sen. Pfaff Statement on Leaked Roe v. Wade Memo

State Senator Brad Pfaff (D-Onalaska), made the following statement regarding the reports that the US Supreme Court has voted to overturn Roe v Wade:

“We need to do everything we can to make sure women in Wisconsin have uninterrupted access to reproductive health care. This will be a tough fight, but one step we can take right now is for the Governor to call a special legislative session and fight like hell to protect a woman's right to choose.”
