Faith Leaders Denounce Arson and Vandalism at Wisconsin Family Action Office

We are deeply troubled by the arson and vandalism that took place on Sunday at the office of Wisconsin Family Action. Americans can have deep disagreements about issues without resorting to violence. No one deserves this type of treatment. Moreover, a democracy can only flourish if differences can be aired openly without the threat of intimidation and further harm.

As people of faith, we call on all people of good will to stand together and to work for peaceful solutions to our most pressing social problems and divisions. Let us pray for one another, seek common ground, and pursue the common good.
