1 2022 Republican Party of Wisconsin Proposed Resolutions

2 *Approved by the Resolutions Committee – 4/30/2022*

3
4 **AWARDS & COMMENDATIONS**

5
6 **2022 - 01 COMMENDATIONS OF SENATOR RON JOHNSON**

7 **WHEREAS**, since being elected in 2010, Senator Ron Johnson has been a vocal leader in defense of
8 conservative principles, in providing government oversight, fighting for small business owners, finding
9 consensus on healthcare and opioid-abuse issues, and highlighting our long-term fiscal concerns;

10 **WHEREAS**, in the past year, Senator Johnson has taken up the mantle of investigating numerous topics
11 of interest to the American people, including the safety and efficacy of Covid-19 vaccines, or lack
12 thereof, and the benefits of alternative treatments, when others in Congress, the administration, and the
13 media have failed to do so;

14 **WHEREAS**, Senator Johnson has chosen to run for a third term; and,

15 **WHEREAS**, Senator Johnson shares our conservative principles and is working to protect our interests
16 and the interests of future generations;

17 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
18 assembled, thanks Senator Ron Johnson, for his commitment to our values and commends him for his
19 determination and service to the people of the state of Wisconsin and the United States of America; and,

20 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin encourages its members and
21 use every resource available to defend and reelect Ron Johnson to represent the state of Wisconsin in the
22 Senate of the United States.

CONSERVATIVE VALUES

23

24

2ND AMMENDMENT & GUN RIGHTS

25

26

27

2022 - 02 FIREARMS RECORDS POLICY

28

WHEREAS, the right to bear arms is protected in the United States Bill of Rights;

29

30

31

WHEREAS, the Biden Administration through the Federal Bureau of Alcohol, Tobacco and Firearms is currently building a searchable database of nearly one billion records detailing Americans' firearms purchases;

32

33

WHEREAS, these actions seem to circumvent the laws prohibiting the government from maintaining a national firearms registry;

34

35

WHEREAS, the Biden Administration seeks to overhaul the current federal firearms laws tightening controls on purchases and firearm dealers; and,

36

37

WHEREAS, this will limit the right of Americans to utilize their Second Amendment rights as guaranteed them;

38

39

40

NOW, THEREFORE BE IT RESOLVED, that the Republican Party of Wisconsin, in convention assembled, opposes this compilation of these records in violation of existing laws and supports the present system.

41

42

2022 - 03 PROTECTING SECOND AMMENDMENT RIGHTS: UNIVERSAL

43

BACKGROUND CHECKS AND RED FLAG LAWS

44

45

WHEREAS, Governor Evers and Attorney General Kaul of the State of Wisconsin want to create New Gun Control Laws known as: Universal Background Checks and a Red Flag Law; and

46

47

WHEREAS, for gun control to get passed into law, it requires duping people into thinking the proposed law is constitutional and will stop criminals; and

48

49

WHEREAS, Red Flag laws, also called gun Violence Restraining Orders and Extreme Risk Protection Orders, are gun-confiscation laws disguised as "gun-violence prevention" laws; and

50

51

WHEREAS, Red Flag laws are unconstitutional "prior restraint" laws that violate our basic civil rights, taking away a person's Second and Fourth Amendment rights; and

52 **WHEREAS**, enacting a Red Flag law is based on an unnamed person’s secret allegation that someone
53 else “might” do something dangerous to themselves or others in the future; and

54 **WHEREAS**, the person accused of being “dangerous” has no notice there is a problem until the police
55 show up, and confiscate the accused’s firearms; and

56 **WHEREAS**, it is up to the accused to prove that he or she is not dangerous; and until such proof is
57 provided to the Court’s satisfaction, the guns are not returned; and,

58 **WHEREAS**, Universal Background Checks will stop fathers or mothers from passing their legally
59 owned firearms (already registered when purchased) to their sons or daughters.

60 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
61 assembled, states its opposition to the creation of these “gun control” laws; and

62 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin asks that the legislature
63 protect the citizens from this genuine, severe threat to our liberty by showing its opposition to these laws
64 by not permitting this legislation to come before the Wisconsin State Assembly or Senate; and

65 **BE IT FURTHER RESOLVED**, that our government leaders protect our 2nd Amendment Rights by
66 opposing any legislation that would restrict the sale or ownership of lawfully produced guns,
67 clips/magazines, and ammunition or any legislation that would impose extraordinary taxes or fees on
68 same, and that we oppose the creation of any form of registry of firearms, accessories, or ammunition;

69 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports the transition of state
70 law regarding the carry of weapons from “shall issue” to “Constitutional Carry” which is enjoyed by a
71 multitude of states in the United States; and

72 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges the legislature to protect
73 law-abiding citizens from civil litigation in the event they defend themselves or others against imminent
74 death or great bodily harm with legally permissible firearms.

75 **TAXES, SPENDING, & THE ECONOMY**

76

77 **2022 - 04 FISCAL RESPONSIBILITY**

78 **WHEREAS**, America was founded in part due to anger over an environment of excessive taxation and
79 taxation without representation; and

80 **WHEREAS**, the Constitution does allow for taxation for specific reasons to support the general welfare;
81 and

82 **WHEREAS**, the United States faces crushing national debt in the trillions of dollars that will be a
83 burden for all future generations to satisfy; and

84 **WHEREAS**, these monies are to be used for the specific purpose they are originally voted on and
85 intended; and

86 **WHEREAS**, government has found practice in using excess monies collected for one approved purpose
87 to support other uses not adequately provided for nor approved by the citizenry; and

88 **WHEREAS**, monies that were intended to keep the Social Security system solvent were instead raided
89 to fund questionable, wasteful and non-essential government programs;

90 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
91 assembled, does not support the transfer of funds designated for one specific purpose to that of another
92 without public disclosure and open hearing at which the citizenry is fairly represented; and

93 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin does support a renewed focus
94 on reduction of the national debt.

95

96 **2022 - 05 WORKFORCE EXPANSION**

97 **WHEREAS**, employers in Wisconsin are desperate to fill vacant jobs, and the lack of willing workers is
98 a true crisis; and

99 **WHEREAS**, the structure of government benefits in Wisconsin does not help people reach
100 independence, but instead keeps them enrolled in benefit programs;

101 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
102 assembled, supports bills to index unemployment duration to unemployment rate, to institute Food Share
103 work requirements, to require more frequent reevaluation of unemployment compensation eligibility, an
104 unemployment system tune-up, and other measures to promote re-employment.

105

106 **2022 – 06 WHAT’S A DOLLAR WORTH**

107 **WHEREAS**, Article 1, section 8 of The U.S. Constitution states that Congress has the power to “To coin
108 money, regulate the value thereof, and of foreign coin, and fix the standard of weights and measures; and

109 **WHEREAS**, in March 1933 the congress conceded its power in Article 1, Section 8, to the President,
110 with the Emergency Banking Act; giving the President power to control international and domestic gold
111 movements; and

112 **WHEREAS**, the dollar had been backed by such precious metals such as gold or silver. But the gold
113 standard ended in 1933 and silver ended in 1968; and

114 **WHEREAS**, now the dollar is backed by “the full faith and credit clause of Article 4, section 1 of the
115 Constitution. In other words, the good and services we produce only; and

116 **WHEREAS**, the dollar is ranked 9th among the top ten currencies in the world today;

117 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
118 assembled, that Congress should remove currency power from the President and restore the power,
119 established by the framers with Article 1, Section 8, back to the Congress where it belongs and

120 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls on Congress to return the
121 dollar to be backed by a gold or silver standard.

GOP PRINCIPLES

122

123

2022 - 07 HISTORICAL COMMITMENT TO EQUALITY

125 **WHEREAS**, the Republican Party was created in 1854 in response to the Kansas Nebraska Act which
126 was seeking to extend slavery into the territories; and

127 **WHEREAS**, with the election of President Abraham Lincoln in 1860 the Republican Party helped bring
128 about the end of slavery; and

129 **WHEREAS**, the Republican Party began the Civil Rights Movement in the 1860s with the passage of
130 the 13th Amendment ending slavery, the 14th Amendment granting ALL persons born in the United
131 States citizenship and equal protection under the laws of the Constitution and the 15th Amendment
132 which stated that no man could be deprived of the right to vote based on race; and

133 **WHEREAS**, the first Black Congressmen were elected into Congress in the 1860s as members of the
134 Republican Party; and

135 **WHEREAS**, the core values of the Republican Party are strong families, faith in God, personal
136 responsibility, quality education, and equal opportunities for all are shared values which ignore the
137 cultural divide of race and religion;

138 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
139 assembled, fully embraces the rich history of our party and is dedicated to continuing our historic
140 foundation and the education and inclusion of all citizens.

141

2022 - 08 PERSONAL LIBERTY

143 **WHEREAS**, America was founded on the premise of freedom; and

144 **WHEREAS**, the Constitution guarantees personal liberty; and

145 **WHEREAS**, each individual has the right over his or her own person; and

146 **WHEREAS**, private property rights are destroyed by the continued regulation of behavior on private
147 property, including businesses open to the public; and

148 **WHEREAS**, government over-regulating the lives of private citizens and businesses leads to
149 oppression; and

150 **WHEREAS**, it was necessary to denounce the overreach of the Governor Evers who issued mask orders
151 and unconstitutional mandates to close down all commerce in the state WI during the pandemic; and

152 **WHEREAS**, Governor Evers failed to issue protective orders in the City of Kenosha which led to riots,
153 chaos, and civil unrest; and

154 **WHEREAS**, the “cancel culture” uses bullying tactics to instill fear and take away rights from a free
155 society; and

156 **WHEREAS**, government encroachment on personal liberties leads to more government encroachment;

157 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
158 assembled, supports individual personal rights and responsibilities, and does not support any reduction in
159 personal freedoms and liberties through any legislation.

160

161 **2022 - 09 PROMOTE LOVE, MARRIAGE, AND THE FAMILY**

162 **WHEREAS**, independent families, with fathers and mothers who marry, give birth, and teach and
163 nurture the next generation are the most important foundation for a stable civil society; and,

164 **WHEREAS**, American Marxists are attempting to destroy the independent family with its inherent ideas
165 of love, motherhood, fatherhood, family obligations and loyalties and are denying the fact that there are
166 biological differences between men and women;

167 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
168 assembled, declares that we are the party of family; celebrating the mystery of romance and marriage,
169 the unique responsibilities of fatherhood and motherhood, the comfort and pain of home and family; and,

170 **BE IT FURTHER RESOLVED**, declares that we oppose all that weakens the family like tax systems
171 that encourage people not to marry, social programs that encourage families to break apart or have
172 children out of wedlock, and sex education that dismisses gender as simply an illusion and sex as little
173 more than entertainment; and,

174 **BE IT FURTHER RESOLVED**, recognizes that differences between men and women often call for
175 separate treatment which the law should recognize for bathrooms and dormitories, sports where
176 biological females need not compete with biological males and biological males need not compete with
177 biological females, for incarceration facilities to separate biological females from biological males, and
178 for a military that does not draft biological females; and,

179 **BE IT FURTHER RESOLVED**, calls our state legislature to criminalize the administration of puberty
180 blockers and opposition hormones by parents, medical staff, or other third parties for the purpose of
181 gender transitioning minor children; and,

182 **BE IT FURTHER RESOLVED**, calls on our state legislature to pass laws that enable minor children
183 who have been “transitioned” to recover damages against parents, medical staff, or other third parties for
184 ten years after reaching the age of majority while allowing for the full recovery of attorney fees where
185 there has been a willful and intentional administration of experimental puberty blockers and opposition

186 hormones upon a minor child, and opposes any attempts by professional organizations to force
187 physicians to support gender transitioning.

188

189 **2022 - 10 RESTORE LIBERTY**

190 **WHEREAS**, this country is founded on the principle that the law is king, not the whims of any
191 individual or government bureau; and

192 **WHEREAS**, law must defend, not threaten, the life, liberty, and property of citizens; and

193 **WHEREAS**, our legislators are destroying liberty whenever they pass thousands of pages of hastily
194 written law, which they have not had time to read or analyze, and then give the administrative state
195 absolute power to add tens of thousands of regulations and mandates, each having the force of law; and

196 **WHEREAS**, the executive branch of the federal government has fallen into the hands of those who wish
197 to replace our most important institutions—church, home, school, and hospital—with government,
198 which they control;

199 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
200 assembled, seeks to keep church, home, school, and medical care free from state and federal control;
201 and,

202 **BE IT FURTHER RESOLVED**, dedicates itself to electing and reelecting only legislators with the
203 courage to take control back from the administrative state; and,

204 **BE IT FURTHER RESOLVED**, calls on the United States Congress and the Wisconsin State
205 Legislature to remove or update old laws that threaten the lives, liberty, or property of the people; and,

206 **BE IT FURTHER RESOLVED**, dedicates itself to publicizing the voting records of all public officials
207 including school board members, city aldermen, county supervisors, judges, prosecutors, and state and
208 local representatives--and electing or reelecting only those who understand the power and importance of
209 liberty.

210

211 **2022 - 11 ENCOURAGE FREE SPEECH**

212 **WHEREAS**, the internet has become an essential public service; and

213 **WHEREAS**, many social media companies no longer serve as neutral platforms but edit news, censor
214 opinion, and ban those with whom they disagree; and

215 **WHEREAS**, tech oligarchs are now able to violate every citizen's rights to free speech and to free
216 inquiry through their control of search engines; and

217 **WHEREAS**, no free republic can survive so much power being limited to so few;

218 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
219 assembled, calls on Congress to update the laws of libel opening social media companies that are not
220 simple platforms to lawsuit; and,

221 **BE IT FURTHER RESOLVED**, calls on the Department of Justice and the Courts to utilize anti-trust
222 laws to break up powerful tech monopolies.

IMMIGRATION

223

224

2022 - 12 IMMIGRATION REFORM

226 **WHEREAS**, the United States of America was founded by immigrants, as a refuge for immigrants, we
227 have a unique status in the world as a melting pot of cultures; and,

228 **WHEREAS**, legal immigration remains beneficial for our country; and,

229 **WHEREAS**, the longstanding political divide on this issue has resulted in unsecure borders, which is an
230 economic lure for migrants, an opportunity for terrorists to enter, a potential for increased vote fraud, an
231 additional burden on government spending programs, and allows an underground economy reliant on the
232 labor of undocumented workers; and,

233 **WHEREAS**, enforcement of existing immigration laws, using border patrols, technology, barriers and
234 worker verification, would enhance the security of our citizens, protect our economy and protect our
235 unique culture;

236 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
237 assembled, urges our Congressional representatives to support reforms allowing fair-but-limited legal
238 immigration and to oppose any immigration plan that grants unconditional amnesty to illegal immigrants
239 already in the United States; and,

240 **BE IT FURTHER RESOLVED**, that chain migration and the visa lottery program be discontinued;
241 and,

242 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports the completion of
243 recommended physical barriers along our borders, in whatever manner is most efficient, and to deploy
244 technology or personnel as required to prevent entry by unauthorized migrants; and,

245 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin recommends that the State of
246 Wisconsin and the Federal Government require that all employers use the E-verify system to check the
247 citizenship status of all persons who apply to work; and,

248 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges the State Legislature to
249 pass legislation prohibiting local governments from enacting “local ordinances, resolutions and policies
250 that prohibit enforcement of federal or state laws relating to illegal aliens or immigration status”; and,

251 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges Congress to rescind
252 Federal money from established Sanctuary Cities until they comply with State and Federal Laws
253 regarding illegal immigrants, and to prohibit benefits including driver’s licenses, subsidized medical
254 services, tuition and mortgages to non-citizens; and,

255 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin appreciates the Department of
256 Homeland Security leadership, ICE agents and Border Patrol agents and thanks them for their diligence

257 in enforcing U.S. laws to control our borders and detain and deport illegal immigrant criminals.

258 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin rejects the interpretation of
259 the Fourteenth Amendment that allows for "birthright citizenship "of illegal immigrants.

SUPPORT FOR LAW ENFORCEMENT

260

261

2022 - 13 SUPPORT FOR POLICE & EMERGENCY WORKERS

263 **WHEREAS**, public safety for all Wisconsin citizens is a major concern;

264 **WHEREAS**, police and emergency personnel are in harm's way every day to ensure our laws are
265 followed and lives and property are protected;

266 **WHEREAS**, a vast majority of police and emergency personnel are upstanding civil servants, but as
267 with any group a few may take the law into their own hands and ignore established policies and
268 procedures;

269 **WHEREAS**, these few offending officers attract news attention as though representative of the whole,
270 with the vast majority of upstanding civil servants slandered by the actions of a few; and

271 **WHEREAS**, there have been highly publicized incidents of "bad policing", the majority of the "blue
272 line" stands ready to protect and to serve the populace, doing exemplary work and putting their lives on
273 the line;

274 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
275 assembled, thank and commend the police officers and other emergency service personnel for their
276 outstanding service to the citizens of Wisconsin; and

277 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin is profoundly grateful to our
278 law enforcement officers and supports legislation providing funds to recruit, train and retain law
279 enforcement officers; and

280 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges those few officers who
281 do not abide by the policies and procedures of the departments be swiftly re-educated or removed from
282 their positions of sacred trust.

283

2022 - 14 DO JUSTICE

285 **WHEREAS**, prosecutors and judges must administer justice and maintain the rule of law; and,

286 **WHEREAS**, we are experiencing a well-funded and well-organized attempt to destabilize this country
287 by destroying the rule of law; and,

288 **WHEREAS**, this assault is taking the form of millions of dollars being poured into district attorney and
289 judicial races to replace conservative prosecutors and judges who protect the lives, liberty, and property
290 of citizens with progressive prosecutors and judges who avoid trial by jury and talk about "root causes,"
291 "restorative justice," and "bail reform" while releasing criminals back onto the streets to prey on the
292 public; and,

293 **WHEREAS**, refusal to enforce shoplifting laws results in wholesale looting that wipes out vital services,
294 refusal to enforce laws against carjacking and assault threatens everyone’s freedom of movement, refusal
295 to enforce gun laws enables armed felons to terrorize entire neighborhoods and refusal to enforce
296 election law threatens the survival of our free republic; and,

297 **WHEREAS**, the failure of prosecutors and judges to protect the lives, liberty, and property of citizens
298 has compelled millions of desperate Americans to arm themselves; and,

299 **WHEREAS**, we need an independent federal judiciary with the power to overrule unconstitutional
300 actions of both the legislative and executive branches, but we cannot permit judges to make or alter the
301 law from the bench; and,

302 **WHEREAS**, “activist” judges commonly rationalize revising or ignoring the constitutional law to
303 achieve what they deem to be more virtuous outcomes thereby perverting the “rule of law” into the “rule
304 of judge.”

305 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
306 assembled, urges the legislature to insure adequate funding for prosecution offices, courts, and prisons;
307 and,

308 **BE IT FURTHER RESOLVED**, dedicates itself to investigating and publicizing the philosophies and
309 records of candidates for prosecutor and judge; and,

310 **BE IT FURTHER RESOLVED**, promises to actively campaign for conservative prosecutors and
311 judges and against liberal prosecutors and activist judges.

NATIONAL DEFENSE

312

313

2022 - 15 VETERANS AFFAIRS

315 **WHEREAS**, the defense of our nation, its citizens, and our national interests is a primary duty of the
316 United States Government; and

317 **WHEREAS**, the sacrifices of the men and women in uniform have provided safety and liberty for the
318 United States and many people throughout the world; and

319 **WHEREAS**, the care of veterans is key to retaining and recruiting quality members of the Armed
320 Forces; and

321 **WHEREAS**, some veterans return home from active duty with medical conditions not diagnosable due
322 to dormancy or latency, that manifest later in life and may cause debilitating illnesses; and

323 **WHEREAS**, some veterans have a gap in coverage between transition from military care to veterans'
324 administration care; and

325 **WHEREAS**, the care of veterans is an obligation of the government that sends the men and women of
326 the Armed Forces on their missions of protection and those in support of men and women on such
327 missions;

328 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
329 assembled, supports and commends the sacrifices and commitment of those serving in the United States
330 military; and

331 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports streamlining the
332 process for Veterans Administration claims concerning health conditions not previously diagnosed or
333 known to the medical community; and

334 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin, supports adequate funding
335 for veterans' programs that seamlessly transition veterans between military treatment and Veterans
336 Administration treatment; and

337 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports veterans and
338 adequate multi-year funding for veterans' hospitals and services.

339

2022 - 16 DEFEND OUR COUNTRY

341 **WHEREAS**, this world is rapidly becoming a more dangerous place, with an increasingly bellicose
342 China, Iran, North Korea, Russia, and unstable nations through Africa and our hemisphere; and

343 **WHEREAS**, our hasty Afghanistan withdrawal has contributed to its instability by rearming the Taliban
344 with billions of dollars of arms, ammunition, and other military hardware; and

345 **WHEREAS**, this humiliating debacle has created the belief that the U.S. military, once seen as the
346 guardian of the free world, has become just another impotent bureaucracy at its highest levels; and

347 **WHEREAS**, our great number of intelligence and surveillance agencies, intended to spy on our
348 enemies, has become a greater threat to the liberty of the American people than to our enemies;

349 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
350 assembled, urges Congress and the President to take immediate action to reduce our bloated military
351 high command by removing those generals and admirals more concerned about national politics and
352 social engineering in the ranks than in national defense; and,

353 **BE IT FURTHER RESOLVED**, urges the Biden administration and the military high command to
354 summon the will to support our allies and to stand up to the corrupt regimes of China, Russia, and Iran;
355 and,

356 **BE IT FURTHER RESOLVED**, urges our Congress to take immediate steps to defend the privacy of
357 American citizens from our own intelligence and federal law enforcement agencies that violate their
358 charters and spy on the American public.

EDUCATION

359

360

2022 - 17 EDUCATION CHOICE

362 **WHEREAS**, every child deserves access to quality education, but despite this many children, especially
363 those from minority or low-income families or children with special needs are trapped in failing schools;
364 and

365 **WHEREAS**, every child’s educational needs, abilities, and learning style is unique; and

366 **WHEREAS**, parents have the fundamental right and responsibility to educate their children and provide
367 for their moral guidance; and

368 **WHEREAS**, parents should have as much choice as possible in selecting the right school for their
369 children; and

370 **WHEREAS**, vigorous competition from independent schools will stimulate government schools to
371 strive for and achieve excellence; and

372 **WHEREAS**, the in-classroom teacher and specialists are tasked with implementation of curriculum,
373 standards and culture defined and required by the Wisconsin Education Association, School Boards,
374 Administration or others; and

375 **WHEREAS**, the in-classroom teachers and specialists are the primary interface with our students and
376 represent the authority figure in the classroom; and

377 **WHEREAS**, the in-classroom teachers and specialists are highly educated, credentialed and in many
378 cases possess advanced degrees in the field of education;

379 **NOW, THEREFORE, BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
380 assembled, strongly urges that School Choice continue to be expanded; and

381 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges that religiously oriented
382 schools should not be discriminated against for exercising their freedom of religion and freedom of
383 choice; and

384 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges our state legislators, the
385 WEA and local school boards to push for curriculum changes that place greater emphasis on the STEM
386 and Foundational Skills, including science, social studies, mathematics, reading, and phonics and
387 eliminate all programs whose objectives are social engineering or advocacy of special interests; and

388 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports academic efforts that
389 ensure that the presentation of our history and founding principles in our educational institutions,
390 including those of higher learning, is objective, truthful, and complete; and

391 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges that libraries in all
392 publicly-funded schools provide a balance of reading materials that reflect conservative values as well as
393 liberal values; and

394 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin strongly urges the repeal of
395 Common Core State Standards; and

396 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports local control of
397 school boards and does not support DPI interference in the direction of our local school boards; and

398 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports and promotes the
399 individual classroom teacher and specialists, and will work to promote a positive and supportive work
400 environment in the classroom; and

401 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin places accountability for the
402 failures of curriculum, safe learning environments and declining educational outcomes as the
403 responsibility of the WEA, Administrators, School Boards and others who have utilized the education of
404 our children for purposes of Social Engineering, incorporating unethical, political and agenda motivated
405 curriculum in educational settings.

406

407 **2022 - 18 INFORMED CONSENT ON REQUIRING POSTING OF FEDERAL**
408 **PROTECTIONS OF PUPIL RIGHTS**

409 **WHEREAS**, it has become evident in recent years that the majority of Wisconsin parents, guardians,
410 and taxpayers want more transparency from public school administration and districts regarding
411 instruction;

412 **WHEREAS**, it appears that many Wisconsinites do not know or understand that the federal government
413 has passed legislation to ensure certain legal protections for students in all U.S. schools that receive
414 federal funding; and

415 **WHEREAS**, parents, guardians and taxpayers should have easy access to information regarding the
416 legal protections of students in their school districts;

417 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
418 assembled, strongly recommends that the Wisconsin state legislature and Governor approve a rule that
419 requires all Wisconsin Public School Districts and private schools receiving federal funding to post the
420 content of U.S. Code, Title 20, Chapter 31, Subchapter 3, Part 4/1232h, as it is explained in the attached
421 legal interpretation; and that to ensure that content is easily accessible, said rule and Title 20 content be
422 posted in public viewing areas of all district school buildings and district office buildings, as well as in
423 all student handbooks and parent communications, including student survey announcements, at the start
424 of each school year;

425 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin believes that not complying
426 with this recommendation contributes to the widespread public perception that the Wisconsin
427 Department of Public Instruction, state district administrators, and district school boards are reluctant to
428 be transparent about student and parent legal rights and protections; and

429 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin believes that parents,
430 guardians and taxpayers are legally entitled to that transparency in lieu of the same entitlement reflected
431 in state statutes.

432 *(See U.S. Code, Title 20, Chapter 31, Subchapter 3, Part 4, Sec 1232h for additional details)*

433

434 **2022 - 19 STOP CRT & RACED BASED TEACHINGS IN PUBLIC SCHOOLS**

435 **WHEREAS**, many Americans over the course of history of the U.S. have been racist and have caused
436 grave injustices against African Americans, Native Americans, Latinos, and Asian Americans;

437 **WHEREAS**, even today there remain Americans who are racist;

438 **WHEREAS**, an unacceptable reaction has ensued in which all white Americans are claimed to be racist
439 and our country is declared to be racist and this philosophy has become embodied in what is known as
440 Critical Race Theory (CRT);

441 **WHEREAS**, Critical Race Theory encourages people to see themselves as victims instead of people
442 responsible for their own success and all should be encouraged to believe that they are capable of
443 anything they desire to achieve instead of being encouraged to believe that they have no future due to
444 "institutionalized racism";

445 **WHEREAS**, Martin Luther King, Jr. called for a world where humans would be judged based on the
446 content of their character, not the color of their skin;

447 **WHEREAS**, liberal apologists wrongly excuse immoral action by criminals as a result of oppression
448 against people of color and thus call for judging people based on the color of their skin instead of the
449 content of their character;

450 **WHEREAS**, racism in all its forms is **WRONG**;

451 **WHEREAS**, CRT uses the bigotry of race to divide groups and to assault the character of conservative
452 African Americans (e.g. Barrington Martin II), and CRT requires teachers to educate children through a
453 lens of race, causing children to see themselves as either a victim or as an oppressor;

454 **WHEREAS**, CRT is a tool for the proponents of cultural Marxism and denies the concepts of individual
455 liberty, equality, and freedom which has made the USA such a wonderful place for advancement for
456 millions of immigrants, which is proven by the fact that even today huge numbers of people are trying to
457 immigrate to the USA;

458 **WHEREAS**, Democratic lawmakers, teachers' union representatives, School Boards, and School
459 Superintendents deny the existence of CRT, and have declared parents who are concerned about CRT to
460 be domestic terrorists, and have claimed that parents should not have roles in **THEIR CHILDREN'S**
461 education;

462 **WHEREAS**, educators should teach that the United States of America is an exceptional nation whose
463 people have always strived to form a more perfect union based upon our founding principles, and that
464 our Founding Fathers – including George Washington and Thomas Jefferson – as well as leaders like
465 Abraham Lincoln, Frederick Douglass, and Rev. Martin Luther King, Jr. were among the greatest
466 Americans to ever live, and they deserve to be honored as heroes; and

467 **WHEREAS**, our children and grandchildren should be taught to take pride in their country, to respect
468 our founding principles of liberty and equality, and to have a sense of American history that is both
469 truthful and inspiring, and civics education should focus on the serious study of our founding documents
470 and principles, and should not encourage or coerce students into engaging in extracurricular political
471 action on behalf of contemporary policy positions; and

472 **WHEREAS**, parents and residents across Wisconsin and the USA are standing up to teachers' unions,
473 School Boards, and elected officials of the Democratic Party that have infiltrated the school curriculum
474 with CRT or the principles of CRT.

475 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
476 assembled, condemns all those who continue to have racist attitudes and calls on all Americans to stop
477 treating any American differently on the basis of race and calls on all Americans to stop engaging in
478 stereotypes and stop judging people based on their race;

479 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin equally condemns Critical
480 Race Theory and any philosophy that brands an entire nation or an entire race as racist or calls for
481 excusing immoral and criminal action because of the race of the person who commits it;

482 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin believes that teaching
483 children to hate their country and each other is immoral and deeply harmful to our society and must be
484 stopped, and believes that our young people should be taught to view one another not according to race
485 or gender, but as individuals;

486 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls on voters to replace
487 elected officials, school board members, education commissioners, principals, deans, and university
488 presidents who promote CRT or its principles with new leaders who respect our history, our values, our
489 rights, and the God-given dignity of every person; and,

490 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls on the State Legislature
491 and local school boards to prohibit the teaching of CRT or its principles or any other race based
492 educational programs in our public elementary, middle, and high schools.

493 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls on the State Legislature
494 to adopt legislation which would prohibit public universities and technical colleges from compelling
495 students to affirm, adopt, or adhere to the tenets of CRT or its principles or other race based teachings.

496

497 **2022 - 20 ADDRESSING GENDER DYSPHORIA IN MINORS**

498 **WHEREAS**, vulnerable minors do not have the maturity to give informed consent for physical
499 treatments of gender dysphoria, including medications to delay puberty, cross-sex hormones or surgery
500 to feminize or masculinize the body; and,

501
502 **WHEREAS**, education standards increasingly address, if not encourage, gender dysphoria and gender
503 transition; and,

504
505 **WHEREAS**, legislation is needed to preserve women’s sports and protect girls and women from
506 competing against transgender athletes, since hormone treatments cannot undo the effect of male
507 chromosomes on the performance of competitive athletes, and athletic opportunities for transgender
508 students can be provided by coed leagues; and,

509
510 **WHEREAS**, psycho-social treatments of gender dysphoria encouraging acceptance of chromosomal
511 gender are often successful, efforts to outlaw such treatments notwithstanding;

512
513 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
514 assembled, strongly encourages legislation banning physical treatments of gender dysphoria in minors
515 and allowing providing a minor the right to recover damages against parents, medical staff, or other third
516 parties at any future date; and,

517
518 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin encourages the local school
519 boards to be vigilant and transparent with regard to gender dysphoria and transgender issues so as not to
520 encourage minors to aspire to transformations that may be harmful in maturity; and,

521
522 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges that legislation to
523 preserve women’s and girls’ sports for biological females be enacted; and,

524
525 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin endorses legislation that
526 permits psychological treatment of gender dysphoria.

527
528 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin recognizes that since cultural
529 changes can progress extremely rapidly, the issue needs to be addressed now, before physical treatments
530 become widespread and generally accepted.

531
532
533 **2022 - 21 EDUCATION**

534 **WHEREAS**, we believe that protecting and promoting a sound education of our children and youth is
535 one of parents’ and society’s most important responsibilities; and,

536
537 **WHEREAS**, parental authority over the educational experiences of their children has been co-opted by
538 teachers and administrators who are often not transparent with lessons, assignments and assessments; and,

539 **WHEREAS**, Wisconsin’s school choice and virtual programs empower parents with alternatives to the
540 public schools for the education of their children and lead to greater academic success for many children
541 currently enrolled; and,
542

543 **WHEREAS**, government officials, especially at the higher education level, are increasing hostile to the
544 free exchange of ideas, especially those expressing conservative and Christian values; and,
545

546 **WHEREAS**, there is increasing interest in adopting learning programs that assess children’s social and
547 emotional strengths and seek to engineer social and emotional behavior; and,
548

549 **WHEREAS**, the strength and vitality so necessary for our form of government, our welfare as a free
550 people and our national identity to be preserved is dependent upon an honest and accurate presentation
551 and understanding of our history and founding principles; and,

552 **WHEREAS**, there have been efforts to rewrite, revise and/or distort our nation’s history and founding
553 principles to support liberal political and economic ideologies, rather than presenting our history
554 truthfully and in full, inhibiting an informed electorate; and,
555

556 **WHEREAS**, the Federal government has mandated that every state collect personal student information,
557 aligned with federal Common Education Data Standards, which combined with the use of technology
558 makes this data easier to share and utilize, allowing each child to be tracked from birth and/or preschool
559 onward; and,
560

561 **WHEREAS**, the U.S. Department of Education amended regulations, under the Family Educational
562 Rights and Privacy Act (FERPA), that increase private company and third-party access to student data
563 without parental consent, as formerly required; and,
564

565 **WHEREAS**, the state of Wisconsin ranks at or near the bottom of assessments for protecting student
566 privacy in terms of covered and regulated parties, transparency, parental and student rights, commercial
567 uses, data security, oversight and enforcement, and other provisions (Network for Public Education
568 report, 2019);
569

570 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
571 assembled, supports local control of schools, urges full transparency as to curriculum content and
572 methods, advocates for parental involvement and empowerment, and opposes all Federal intervention in
573 education; and,
574

575 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin District supports continued
576 statewide expansion of Wisconsin’s school choice program, and the use of vouchers and tax credits,
577 without regard to financial means, for those who select private, virtual or home schooling; and,
578

579 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges the Legislature to not
580 use funding to incentivize local school boards against the will of their constituents; and,
581

582 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges our local school boards

583 to push for curriculum changes that place greater emphasis on the basics (including phonics-based early
584 reading instruction, language arts, mathematics, science, history, social studies and economics), and
585 eliminate all programs whose objectives are social engineering or advocacy of liberal political and
586 economic ideologies; and,
587

588 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin specifically supports academic
589 efforts and curriculum developments to restore understanding of the greatness of the American
590 Founding and to ensure that the presentation of our history and founding principles is objective, truthful
591 and complete, and taught in all our educational institutions, including those of higher learning; and,
592

593 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin expresses our deep opposition
594 to curriculum and information dissemination that pushes social justice or systemic racism agendas, rather
595 than focusing on our common values of equal opportunity and respect for all American citizens; and,
596

597 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin urges that religiously-oriented
598 schools not be discriminated against for exercising their freedom of religion; and demands elimination of
599 government funding for any college or university that does not honor free speech for all; and,
600

601 **BE IT FURTHER RESOLVED**, our state representatives to adopt measures that counteract the
602 egregious sharing and mining of student data, including that resulting from loosened FERPA regulations;
603 and,
604

605 **BE IT FURTHER RESOLVED**, local school boards and administrators inform parents about the data
606 collection and subsequent sharing that is enabled by increased technology use in classrooms and at home.
607

608 **2022 - 22 TEACH THE FOUNDING DOCUMENTS**

609 **WHEREAS**, the stated purpose of education is to raise up people to be good citizens; and,
610

611 **WHEREAS**, to be good citizens the Declaration of Independence and the U.S. Constitution must be
612 taught; and,
613

614 **WHEREAS**, there is a federal law that requires one day devoted to teaching the U.S. Constitution in our
615 schools and the law is not being enforced in any public school; and,
616

617 **WHEREAS**, the Nebraska legislature debated the Convention of States resolution and the civic
618 ignorance of the elected officials in opposition was on full display. This is not confined to Nebraska, it is
619 happening in Wisconsin and other states;
620

621 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
622 assembled, beseech the legislative body of the great state of Wisconsin to consider a state law that
623 requires and enforces the teaching of the Declaration of Independence and the U.S. Constitution in all of
624 our schools. We need to teach our students to be good citizens as that will ensure the continued existence
625 of the United States of America.

2022 - 23 STOP THE MURDER OF UNBORN CHILDREN

629 **WHEREAS**, all human beings are created in the image of God, and are thus endowed by their Creator
630 with an unalienable right to life; and,

631 **WHEREAS**, abortion is the murder of the weakest and most innocent human beings within our midst;
632 and,

633 **WHEREAS**, governments are instituted by God among mankind, being charged with the duty to secure
634 and protect the right to life, and establish justice for all; and,

635 **WHEREAS**, Wisconsin Statute 940.04(6) declares, “‘unborn child’ means a human being from the time
636 of conception”; and,

637 **WHEREAS**, Wisconsin Statute 940.01(a) declares, “‘whoever causes the death of another human being
638 with intent to kill that person or another is guilty of a Class A felony”; and,

639 **WHEREAS**, the 10th Amendment to the U.S. Constitution states that “‘the powers not delegated to the
640 United States by the Constitution, nor prohibited by it to the States, are reserved to the States
641 respectively, or to the people”; and,

642 **WHEREAS**, the United States Supreme Court is not the final arbiter of what is or is not Constitutional,
643 nor should Wisconsin legislators stand by while the innocent are murdered simply because the court has
644 issued an opinion; and,

645 **WHEREAS**, our founding fathers recognized life as an inalienable, individual right which the
646 Republican Party has reaffirmed in declaring abortion, infanticide, and euthanasia to be violations of this
647 sacred and basic human right;

648 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
649 assembled, reaffirms its support for the rights of the unborn, and for the struggle to ensure that our
650 government and our society protect and respect innocent human life in all its forms;

651 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin demands that our state
652 legislators stop using the pro-life label as a platform to run on, and actually take action to make
653 Wisconsin a pro-life State.

654 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin, calls upon the Wisconsin
655 legislature to interpose on behalf of preborn children in Wisconsin and enact legislation to stop the
656 murder of unborn children; and

657 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin directs state legislators to
658 work to end the murder of the preborn in the State of Wisconsin as a legislative priority for the 2022
659 legislative session.

660 **2022 - 24 HEALTHCARE PRICING TRANSPARENCY**

661 **WHEREAS**, approximately 20% of Americans carry significant medical debt; and,

662 **WHEREAS**, up to 62% of bankruptcies nationwide are caused by medical issues; and,

663 **WHEREAS**, nearly two-thirds of Americans are worried about being able to afford unexpected medical
664 bills; and,

665 **WHEREAS**, the actual cost of medical care can vary tremendously from one medical provider to
666 another, and most medical care is shoppable; and,

667 **WHEREAS**, the pricing of healthcare interventions has become very confusing for healthcare
668 consumers to understand; and,

669 **WHEREAS**, nearly 9 in 10 Americans believe that healthcare entities should disclose all of their prices
670 in an easily accessible place online to allow for easy shopping for healthcare services; and,

671 **WHEREAS**, in order for market forces and competition to effectively take hold in healthcare, patients
672 must be empowered to make more educated decisions on their care through more transparent pricing;
673 and,

674 **WHEREAS**, in 2019 President Trump signed an Executive Order on Improving Price Transparency in
675 American Healthcare, which required hospitals to disclose their prices;

676 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
677 assembled, believes the State of Wisconsin should institute meaningful and consistent statewide
678 healthcare price transparency policies for patients to make informed choices prior to receiving medical
679 care at hospitals and surgical centers.

680

681 **2022 - 25 LEGAL PROTECTIONS FOR HEALTHCARE CHOICES**

682 **WHEREAS**, our nation has a strong history of protecting the civil rights of its citizens, even and
683 explicitly if those citizens are in the minority; and,

684 **WHEREAS**, the U.S. Equal Employment Opportunity Commission (EEOC) was established via the
685 Civil Rights Act of 1964; and,

686 **WHEREAS**, state and federal law prohibits discrimination of protected classes, namely race, color,
687 religion, sex, pregnancy, marital status, sexual orientation, gender identity, national origin, age, disability
688 and genetic information; and,

689 **WHEREAS**, the government, businesses and organizations face legal recourse for discriminating
690 against protected classes of person under state and federal law; and,

691 **WHEREAS**, many of these federally recognized protected classes are a matter of individual choice; and,
692 **WHEREAS**, persons who make individual choices about their health and medical decisions regarding
693 their body are being denied services by both the government, businesses and organizations; and,
694 **WHEREAS**, no medical procedure has constitutionally been deemed medically necessary by the United
695 States Supreme Court; and,
696 **WHEREAS**, religious exemptions are provided for certain government mandated under the protected
697 class status; and,
698 **WHEREAS**, the government, businesses and organizations are being allowed and in some cases
699 encouraged by the government to discrimination against a class of people who choose to forgo elective
700 medical procedures including immunizations;
701 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
702 assembled, urges lawmakers to include medical history and immunization status as a state and federally
703 protected class.

LAWS & LEGISLATION

707

2022 - 26 STAND YOUR GROUND LAW

708

WHEREAS, The state of Wisconsin does not have a “Stand Your Ground Law,” to protect citizens from prosecution if they need to use deadly force outside of their castle; and under the “Castle Doctrine Law” a person may only use deadly force inside of their dwelling, vehicle or place of business; and Wisconsin's conceal carry law enables a Wisconsin citizen to be prepared to use deadly force to defend themselves outside of their “castle,” the absence of a “Stand Your Ground Law” exposes the citizen to certain prosecution for using the same protection whose use is permitted under the Castle Doctrine Law, when it occurs outside their “castle,” and in fact could potentially trigger an equal protection issue under the law when a citizen is prosecuted where the only grounds for prosecution is the location of the protective action; and further, it is disingenuous to pass a law giving Wisconsinites a conceal carry license when there is no way to avoid prosecution should you need to use your weapon outside of your “castle.”

719

720

NOW, THEREFORE BE IT RESOLVED, that the Republican Party of Wisconsin, in convention assembled, hereby calls upon the Wisconsin Assembly, Senate and Governor to pass a “Stand Your Ground Law” to protect its citizens from legal assault from politically motivated prosecutors.

721

722

723

724

BE IT FURTHER RESOLVED, that the Republican Party of Wisconsin supports the rights of CCL holders and citizens who own and possess firearms or other devices such as knives, and recognize that their personal vehicles are private property, request that the State Legislature pass legislation that supports a citizens rights to safely possess, store or keep personal weapons within their private personal vehicles at any time including when on school or college campuses or parking areas of public or private business locations.

2022 - 27 AMERICAN LAWS FOR AMERICAN COURTS

732

WHEREAS, the United States of America embodies unique Judeo-Christian values of liberty which do not exist in foreign legal systems, in particular Shariah Law; and,

733

734

WHEREAS, foreign laws and doctrines, which are frequently at odds with US Constitutional principles of equal protection and due process, are increasingly introduced into US court cases;

735

736

NOW, THEREFORE BE IT RESOLVED, that the Republican Party of Wisconsin, in convention assembled, opposes the consideration of foreign laws in US courts.

737

738 **2022 - 28 INFORMED CONSENT, VACCINE EXEMPTIONS, & ADOPTION OF**
739 **THE NUREMBERG CODE**

740 **WHEREAS**, the most basic of all human rights is the ability to have control over your own body,
741 including the making of all medical decisions. In 1973 the U.S. Supreme Court in *Roe v Wade* found a
742 privacy interest in the U.S. Constitution that allowed women to make decisions about their own bodies
743 that included ending the life of their unborn children. While we do not agree with the extent or outcome
744 of that decision because it includes ending the life of another human being without due process of law,
745 we do agree with the basic and underlying premise that there is a privacy interest in personal bodily
746 integrity and the medical decision-making; and,

747 **WHEREAS**, a person has the right to exclusively make medical decisions for oneself or one's minor
748 child, or to designate a substitute decision-maker through a legal Power of Attorney for Healthcare
749 document, as long as there is informed consent obtained for either the individual or the substitute
750 decision-maker; and,

751 **WHEREAS**, in 2011, the U. S. Supreme Court protected vaccine manufacturers from vaccine injury
752 lawsuits and in 1986 Congress passed the National Childhood Vaccine Injury Act, which determined
753 vaccines to be "unavoidably unsafe" and ALL pharmaceutical products carry some risk of permanent
754 injury or death which demands that there must be an informed consent and choice; and,

755 **WHEREAS**, out of the Doctors Trial in Nuremberg came the Nuremberg Code, of which Yale law
756 professor, physician and ethicist Jay Katz has said "that the principle of the advancement of science
757 (must) bow to a higher principle: protection of individual inviolability. The rights of individuals to
758 thoroughgoing self-determination and autonomy must come first. Scientific advances may be impeded,
759 perhaps even become impossible at times, but this is a price worth paying;" and,

760 **WHEREAS**, Dr. Katz also said that the judges of the Nuremberg tribunal, "envisioned a world in which
761 free women and men, after careful explanation, could make their own good or bad decisions, but not
762 decisions unknowingly imposed on them by the authority of the state, science, or medicine;" and,

763 **WHEREAS**, bioethicist Arthur Caplan agreed when he said, "The Nuremberg Code explicitly rejects
764 the moral argument that the creation of benefits for many, justifies the sacrifice of the few. Every
765 experiment, no matter how important or valuable, requires the express voluntary consent of the
766 individual. The right of individuals to control their bodies trumps the interest of others in obtaining
767 knowledge or benefits from them;" and,

768 **WHEREAS**, the First Principle of the Nuremberg Code requires that the voluntary consent of medical
769 decision-making or human experimentation is absolutely essential. Voluntary consent can never be
770 legally obtained where information is intentionally withheld from the subject. The freedom of choice
771 and therefore, legally informed consent can never be present where force, fraud, deceit, duress,
772 overreaching by someone in a position of power, or any other form of constraint, deception or coercions
773 are used. The human subject of experimentation of any kind must have sufficient knowledge and
774 comprehension of all elements of the experiment, including the subject, the nature of it, the duration of
775 the experiment and side effects and the risks involved so as to enable an individual to make a fully
776 informed legal decision; and,

777 **WHEREAS**, legal informed consent requires knowledge and understanding on a personal level so that
778 the subject of human experiments can decide for his or herself, what he or she is willing to endure or to
779 accept as a reasonable amount of inconvenience, personal harms, pain or suffering and the risk of

780 permanent bodily injury or even death one is willing to assume as a potential outcome of the
781 experimentation. It follows then that unconscious persons and the unborn can never be experimented
782 upon since it is impossible for them to make such legally informed decisions, as stated above and that
783 substitute decision-making can never amount to legally informed consent for another human being in the
784 case of human experimentation; and,

785 **WHEREAS**, there is a concerted effort by the pharmaceutical industry and their lobbyists, to persuade
786 our state and federal legislators to abolish rights that individuals have when making informed health
787 choices for what is best for themselves and their family, and where bills have been introduced in both the
788 state assembly and state senate in the past, with the intention of removing philosophical/personal
789 conviction exemptions from vaccination programs, some of which are experimental in nature such as the
790 COVID-19 gene therapy injection; and,

791
792 **WHEREAS**, in the wake of potential harms to the individual and the public from vaccinations, which
793 may all, to some extent be considered “experimental” in nature, and because of the vacillating
794 interpretation of “vaccine science,” it is the constitutional right of all human beings to NEVER be to
795 subjected to mandatory vaccination laws in the State of Wisconsin;

796
797 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
798 assembled, we demand state officials who represent the people of the State of Wisconsin, pass such laws
799 as needed to forbid mandatory vaccinations and to adopt the Nuremberg code in its entirety in order to
800 prevent Crimes against Humanity from ever occurring in this state;

801 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin strongly encourage the state
802 legislature amend the Right to Try statutes enacted in 2018 to include “off-label” use of medications and
803 to pass any other legislation required to ensure that patients have an absolute right to demand legal
804 medications that they believe will help them to survive as long as they are willing to absolve the
805 hospitals and health providers of liability for any injuries incurred as a direct result of that medication
806 administration; and

807 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin encourages the state
808 legislature, sheriff’s departments, local district attorneys and the Wisconsin Department of Justice to
809 open investigations into the many deaths in Wisconsin hospitals where instead of allowing proven and
810 safe alternative treatments such as Ivermectin to be administered, hospitals through their staff, are
811 allowing dangerous experimental drugs to be used under an emergency use authorization (EUA). This
812 treatment protocol which is being promoted by CMS (Medicare and Medicaid), the CDC and the FDA is
813 causing many needless deaths throughout Wisconsin while at the same time it is providing a windfall of
814 federal money through CMS reimbursements.

815

816 **2022 - 29 DEATH PENALTY**

817 **WHEREAS**, attacks on law enforcement have increased amidst a toxic anti-police environment.

818

819 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
820 assembled, urges passage of legislation to support law enforcement and supports laws giving the death
821 penalty to anyone who kills a law enforcement officer in the line of duty.

822 **2022 - 30 RETIREMENT PLANNING REFORM**

823 **WHEREAS**, the evidence is clear that Social Security will go bankrupt when the baby boomers retire
824 even if the Social Security surplus is dedicated to Social Security alone; and,

825 **WHEREAS**, the Democrats have proposed no solution to this problem and likely would rather just
826 resort to a huge increase in the payroll tax to resolve it; and,

827 **WHEREAS**, the only way to save Social Security without huge tax increases is to modify it to allow for
828 a portion of Social Security payroll taxes to be diverted into a personal retirement account in which
829 employees will be able to determine how their Social Security taxes are invested; and,

830
831 **WHEREAS**, when voters are asked in opinion polls whether they should be able to control how their
832 Social Security taxes are invested, they overwhelmingly support it notwithstanding the continued attacks
833 by the Democrats and the unions which have scared voters into opposing the proposal; and,

834 **WHEREAS**, neither periods of unusual increases in the stock market nor periods of unusual decreases
835 in the stock market should be used as justification to oppose personal accounts for Social Security since
836 the evidence is clear that over the long term investments in the stock market have historically grown
837 significantly, and citizens can be educated to take investments out of the stock market when they are
838 nearing retirement age to keep them safe from unexpected downturns in the stock market;

839 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
840 assembled, urges Congress to support allowing workers to place a portion of their Social Security payroll
841 taxes into a personal retirement account in which employees have the right to direct the investment of
842 their Social Security taxes, and to oppose proposals to increase Social Security taxes, impose means
843 testing for the receipt of Social Security benefits without allowing workers to place a portion of their
844 Social Security payroll taxes into a personal account, or to have the government invest Social Security
845 funds.
846

847 **2022 - 31 REPEAL THE MINIMUM MARKUP LAW**

848 **WHEREAS**, the state government has no business being in the business of setting prices; and,

849 **WHEREAS**, Wisconsin's retailers are still governed by the Unfair Sales Act originally passed in the
850 1930's; and,

851 **WHEREAS**, Wisconsin's residents are forced to pay higher prices by this law which has outlived its
852 usefulness; and,

853 **WHEREAS** crony capitalism enables price fixing which is injurious to consumers;

854 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
855 assembled, that the State of Wisconsin repeal the Unfair Sales Act, otherwise known as the Minimum
856 Markup Law.

857 **2022 - 32 OBEY THE CONSTITUTION**

858 **WHEREAS**, our founders developed a constitutional system of government with the strength to unify a
859 geographically and culturally diverse nation while protecting the regional and local autonomy of every
860 state; and,

861 **WHEREAS**, the Constitution has done so by limiting the power of the federal government to specific
862 enumerated areas and requiring that it rule by law not by the arbitrary dictates of politicians or its
863 administrative state; and,

864 **WHEREAS**, the 10th amendment states “the powers not delegated to the United States by the
865 Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people”;
866 and,

867 **WHEREAS**, federal agencies are ignoring their constitutional limitations when the IRS, FBI, and DOJ
868 intimidate and imprison their political enemies, when intelligence agencies spy on American citizens,
869 and when agencies like OSHA exercises dictatorial control over every nuance of business activity in this
870 country; and,

871 **WHEREAS**, no person or private business can be safe or, acting alone, can defend themselves from
872 tyrannical federal agencies;

873 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
874 assembled, calls our state legislators to work together with other liberty loving state governors and
875 legislatures to determine how best, to defend our citizens from all powerful federal agencies; and,

876 **BE IT FURTHER RESOLVED**, demands the State of Wisconsin Legislature immediately pass
877 legislation that requires any transfer of Wisconsin State land and water to the Federal government to be
878 approved by the Wisconsin State Assembly and the Senate, not just the Governor; and,

879 **BE IT FURTHER RESOLVED**, promises to fight to elect or reelect representatives more loyal to our
880 Constitution than to their political party.

881 **GOVERNMENT OVERREACH**

882 **2022 - 33 GOVERNMENT OVERREACH**

883 **WHEREAS**, the COVID-19 epidemic during 2020 and 2021 has created a health risk and caused many
884 deaths; and,

885 **WHEREAS**, national, state and local government officials enacted many oppressive and suppressive
886 rules that affected U.S. and state Constitutional freedoms of assembly, expression and religion; and,

887 **WHEREAS**, the livelihood of many Americans was severely limited by these draconian rules; and,

888 **WHEREAS**, these rules, carrying the force of law and penalty, were made without legislative action by
889 unelected bureaucrats with questionable authority; and,

890 **WHEREAS**, many of the rules were not supported by scientific evidence, successful health practices,
891 and proven effectiveness; and,

892 **WHEREAS**, unproven and inadequately tested experimental treatments and vaccines were mandated for
893 many Americans against their wishes through employment coercion; and,

894 **WHEREAS**, national, state and local authorities have NO legal right to limit constitutional freedoms or
895 mandate disease mitigations such as masks or vaccinations;

896 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
897 assembled, hereby demands that these governmental overreaches into its citizens' personal lives be
898 immediately ended and prohibited in the future; and

899 **BE IT FURTHER RESOLVED**, that all similar rules, if constitutional, must be enacted by elected
900 bodies only.

901

902 **2022 - 34 STOP PANDEMIC TYRANNY**

903 **WHEREAS**, our founders, no strangers to pandemics, wars, and the struggle for survival, developed a
904 constitutional system that releases the ingenuity, ambition, and altruism of every free citizen to create a
905 nation so peaceful and so successful that it is in danger of being overwhelmed by billions of people
906 wanting entrance; and,

907 **WHEREAS**, when faced by this Covid emergency, Democratic administrations at every level have
908 abandoned this system best able to deal with emergencies, and chosen the worst possible system; the
909 arbitrary orders of arrogant or panicked politicians; and,

910 **WHEREAS**, free people must obey laws; slaves must obey orders; and,

911 **WHEREAS**, no person or agency can fully understand the complexity of the human body or all of the
912 relationships and interrelationships that comprise public health; and,

913 **WHEREAS**, the World Economic Forum (WEF), under chief executive officer Klaus Schwab, held its
914 50th annual meeting in June, 2020 under the name “The Great Reset” with a focus on response to the
915 Covid-19 pandemic; and,

916 **WHEREAS**, “The Great Reset” is a justification and continuation of the goals of the WEF for creating a
917 stakeholder economy, engaging in sustainable building and infrastructure projects, and harnessing the
918 Fourth Industrial Revolution ostensibly for the public good; and,

919 **WHEREAS**, we have seen in the Covid-19 response the willingness of people to submit themselves to
920 unprecedented and unwarranted intrusion into their lives against all science and against the true
921 wellbeing of the citizens; and,

922 **WHEREAS**, unaccountable public “officials” now routinely use taxpayer funds to advertise
923 experimental treatments without any warnings about possible side effects, order mass vaccinations of
924 entire populations without considering preexisting conditions, forbid doctors and hospitals to use
925 treatments used successfully around the world, and even inject vulnerable children at school without
926 parental knowledge or permission; and,

927 **WHEREAS**, it is impossible for anyone to distinguish between “essential” and “nonessential” jobs in
928 our infinitely complex and interrelated free market system; and,

929 **WHEREAS**, this administration has issued blanket shut down orders for businesses they deem to be
930 “nonessential” and by so doing have destabilized the entire economic and social ecosystem and
931 destroyed thousands of small businesses and millions of lives and livelihoods, while enriching the few;
932 and,

933 **WHEREAS**, this same administration, encouraged by its success in using “the Covid “ to terrorize the
934 public into submission, is now attempting to use the same tactics by declaring our ever-changing climate
935 to be an “emergency“ that requires their wise control of the liberty and property of every citizen;

936 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
937 assembled, declares that no public official or agency shall be allowed to control every hospital, every
938 doctor, and every person’s body in this vast republic; and,

939 **BE IT FURTHER RESOLVED**, declares all citizens in legal jobs and jury service to be essential
940 workers; and,

941 **BE IT FURTHER RESOLVED**, declares that all orders that deny civil liberties simply by declaring a
942 public health or an environmental “emergency” are acts of insurrection against the letter and spirit of our
943 free republic and shall be ignored or deemed advisory only; and,

944 **BE IT FURTHER RESOLVED**, calls all businesses, public and private, to respect the liberty of their
945 employees and the American public; and,

946 **BE IT FURTHER RESOLVED**, calls on hospitals, Wisconsin DSPS, insurers, and licensing boards to
947 respect the duty of physicians and professional staff to treat their patients as they see fit and not bow to
948 the dictates of our increasingly politicized public health and big pharma establishments; and,

949 **BE IT FURTHER RESOLVED**, demands that our medical establishment, and pharmacies in the State
950 of Wisconsin obey the spirit and letter of our “right to try” law; and,

951 **BE IT FURTHER RESOLVED**, demands that any school official who allows children to be medicated
952 without written parental permission be prosecuted; and,

953 **BE IT FURTHER RESOLVED**, declares itself to be one with local and national groups working to
954 restore liberty.

955

956 **2022 - 35 SUPPORT SENATOR JOHNSON ON COVID**

957 **WHEREAS**, Senator Ron Johnson has held panel discussions on COVID-19 with medical experts and
958 doctors who spoke about varying perspectives on the pandemic response; and,

959

960 **WHEREAS**, data collected from the FDA Adverse Event Reporting System and the CDC Vaccine
961 Adverse Effect Reporting System show that within 13 months the COVID Vaccines have posted
962 1,053,830 adverse events, 22,193 deaths and 20,175 deaths per year, prove that identified therapeutics
963 demonstrate considerably less adverse events than the vaccines; and,

964

965 **WHEREAS**, Senator Ron Johnson has demonstrated through data collection and medical expert panel
966 discussions that forcing adults and children to submit to COVID-19 vaccines and boosters through
967 federal mandates results in many more deaths and injury than specific therapeutics; and,

968

969 **WHEREAS**, Senator Ron Johnson supports and promotes the right and freedom to decide how an
970 individual will manage their own healthcare be returned to the individual, eliminating the need for
971 federal or state mandates on COVID-19 vaccines and boosters;

972

973 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
974 assembled, supports state and federal legislators to pass a law to rescind all mandates related to the
975 COVID-19 vaccines and boosters, restoring the right of freedom to each American citizen in managing
976 their own healthcare.

977 **INFRASTRUCTURE**

978 **2022 - 36 PROMOTE ENERGY INDEPENDENCE**

979 **WHEREAS**, Joe Biden, by executive order, unilaterally terminated construction on the Keystone XL
980 Pipeline, destroying thousands of blue-collar jobs, undermining American energy independence and
981 spiking energy costs for Americans; and,

982 **WHEREAS**, additionally, multiple Wisconsin-based contractors are involved in the Keystone XL
983 project, making this decision fall especially hard on Wisconsinites; and,

984 **WHEREAS**, the actions of the Biden Administration to destroy the energy independence of the United
985 States has weakened our ability to provide for the common defense by making the US reliant on other
986 nations for its energy needs; and,

987 **WHEREAS**, the actions of the Biden Administration have directly impacted WI citizens ability to
988 afford fuel for home heating, cooking, transportation and other needs, resulting in financial distress; and,

989 **WHEREAS**, the Biden Administration has indicated clearly that the Federal Government will utilize the
990 authority provided through every means necessary to promote “Green Energy” by destroying the US
991 Fossil Fuels Industry;

992 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
993 assembled, that our legislators in Washington must act to overturn the Executive order by public
994 pressure and enact legislative action to install pipelines to expand commercial fossil fuel extraction in
995 the US; and

996 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin that we condemn the actions
997 of the Biden Administration which have placed the United States and the Citizens of Wisconsin in great
998 peril financially and through the weakening of our National Security, causing financial and mental
999 duress; and

1000 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin that we demand that the
1001 Biden Administration and the Federal Government immediately end its war against our domestic fossil
1002 fuels industry and the subsequent abuse of WI citizens by inducing rampant inflation and financial
1003 destruction.

1004

1005 **2022 - 37 SECURITY OF ENERGY INFRASTRUCTURE**

1006 **WHEREAS**, the threat from the impact on the continental United States as a result of an Electromagnet
1007 pulse (EMP), both natural and manmade, exists; and,

1008 **WHEREAS**, an Electromagnetic Pulse explosion strategically set over the United States would cause
1009 catastrophic results; and,

1010 **WHEREAS**, a nuclear detonation at high altitudes would result in damage to all electrical and electronic
1011 equipment and infrastructure; and,

1012 **WHEREAS**, nine American scientists issued, on “9/11”, the *Report of the Commission to Assess the*
1013 *Threat to the United States from Electromagnetic Pulse (EMP) Attack Vol 1, Executive Report 2004;*
1014 and,

1015 **WHEREAS**, the United States Congress has failed to implement recommendations from said report;
1016 and,

1017 **WHEREAS**, there are enemies of the United States who may be capable of exploding such a nuclear
1018 device; and,

1019 **WHEREAS**, our utility services are at serious risk from sabotage, cyberattack, or natural disasters such
1020 as a solar X-flare,

1021 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1022 assembled, in order to secure our power grid and provide defensive preparedness, urges the United
1023 States Congress to implement the recommendations set forth in the *Report of the Commission to Assess*
1024 *the Threat to the United States from Electromagnetic Pulse (EMP) Attack Vol 1, Executive Report 2004;*
1025 and,

1026 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin supports a national
1027 infrastructure program to protect our utility services against foreign or domestic attacks, or natural
1028 disasters.

1030

ELECTIONS & CAMPAIGNS

1031

1032

CURRENT OFFICE HOLDERS / UPCOMING ELECTION

2022 - 38 DEFEAT TONY EVERS

1035 **WHEREAS**, Tony Evers is the current Governor of the State of Wisconsin; and,

1036 **WHEREAS**, Tony Evers vetoed at least six bills aimed at ensuring free, fair and secure elections in the
1037 State of Wisconsin; and,

1038 **WHEREAS**, Tony Evers vetoed at least five bills aimed at reducing abortion in the State of Wisconsin;
1039 and,

1040 **WHEREAS**, Tony Evers vetoed two bills that would have prohibited public health officials from
1041 mandating COVID-19 vaccines and banning local public health orders restricting gatherings at houses of
1042 worship; and,

1043 **WHEREAS**, Tony Evers vetoed a bill that would have allowed greater transparency regarding
1044 classroom activities and curriculum in our public schools; and,

1045 **WHEREAS**, Tony Evers exceeded his authority by issuing multiple mask mandates in violation of state
1046 law; and,

1047 **WHEREAS**, Tony Evers failed to protect citizens and property and failed to support law enforcement
1048 during the Kenosha riot; and,

1049 **WHEREAS**, Tony Evers recalled Wisconsin National Guard soldiers while conducting federal border
1050 patrol operations demonstrating his lack of concern for national borders and controlling the flow of
1051 illegal drugs;

1052 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1053 assembled, understands the State of Wisconsin cannot endure another four years of Tony Evers'
1054 dishonorable leadership and establishes the defeat of Tony Evers is one of our top priorities.

1055 **ELECTION LAW & PROCEDURES**

1056 **2022 - 39 ELECTION REFORM**

1057 **WHEREAS**, in 2015 the Wisconsin Legislature formed the Wisconsin Election Commission, the bi-
1058 partisan regulatory agency of the State of Wisconsin, when the Government Accountability Board was
1059 abolished; and,

1060 **WHEREAS**, the Wisconsin Election Commission was meant to be a fair and honest arbiter of elections;
1061 and,

1062 **WHEREAS**, since the Wisconsin Election Commission was formed, it has been run by partisan
1063 bureaucrats not interested in fair, honest elections, but more interested in issuing opinions and directives
1064 that encourage unfair elections across Wisconsin; and,

1065 **WHEREAS**, the clear and plain language of election laws in Wisconsin has been changed or allowed to
1066 be altered by directives of the Commissioners and staff of the Wisconsin Elections Commission without
1067 the approval of the legislature in violation of the Constitution of the United States; and,

1068 **WHEREAS**, the Wisconsin Election Commission instructed clerks to illegally rehabilitate absentee
1069 ballots with missing information on the mailing envelope in contradiction of state law; and,

1070 **WHEREAS**, the 2020 Wisconsin Fall General Election, as regulated and directed by the Wisconsin
1071 Elections Commission, was one of the most haphazard, controversial and poorly managed elections in
1072 state history, shaking the faith of citizens' confidence in fair elections across Wisconsin; and,

1073 **WHEREAS**, the Wisconsin Election Commissioners and staff allowed Mark Zuckerberg to dump
1074 millions of dollars into Wisconsin's Democrat-dominated cities for vote harvesting campaigns and other
1075 efforts, creating a two-tiered election system that treated voters differently depending on whether they
1076 lived in Democrat or Republican strongholds under the auspices of administering "safe and secure"
1077 elections during the pandemic;

1078 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1079 assembled, calls for the removal Wisconsin Election Commission staff that have violated or
1080 recommended the violation of Wisconsin State election laws; and,

1081 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls for the restructuring of
1082 the Wisconsin Election Commission to a truly fair and honest and accountable election agency; and,

1083 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls for the Legislature to
1084 demand the Wisconsin Election Commission to follow all election laws duly passed by the Wisconsin
1085 Legislature in accordance with the United States Constitution to restore faith that free and fair elections
1086 may once again occur in Wisconsin.

1087 **2022 - 40 ONLY CITIZENS VOTE**

1088 **WHEREAS**, municipalities in various states or cities including New York City, grant noncitizens or
1089 illegal immigrants the right to vote; and,

1090 **WHEREAS**, the movement to expand voting to noncitizens or illegal immigrants suppresses the legal
1091 vote of US citizens and may further discourage immigrants from becoming citizens; and,

1092 **WHEREAS**, various states specifically prohibit voting by noncitizens;

1093 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1094 assembled, resolves that the Wisconsin State Assembly and Senate, enforce constitutional voting
1095 requirements by advancing and passing legislation which criminalizes and enforces stiff penalties to
1096 protect the legal votes of WI citizens.

1097

1098 **2022 - 41 END THE USE OF THE ERIC VOTER ROLL SYSTEM**

1099 **WHEREAS**, the Electronic Registration Information Center (ERIC) is a non-profit organization whose
1100 board is made up of appointees from member states, and the organization is charged with improving
1101 the accuracy of the voter rolls of its member states, but it does not appear to be a non-partisan data
1102 collecting organization; and the ERIC system says there are over 7 million people on our voter rolls,
1103 whose active or inactive status can be toggled on or off seemingly without a record and by a large
1104 number of key holders, while the ERIC system says there are just over 3 million eligible adult voters in
1105 the state of Wisconsin; and this system is susceptible to election fraud where dead people vote;
1106

1107 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1108 assembled, hereby calls upon the Wisconsin Assembly, Senate and Governor to pass a law which ends
1109 our involvement in the organization known as ERIC and develops a system run by Wisconsin
1110 government where dead people and those who moved are actually purged from the rolls as is required
1111 by law, and where those inactive registrants can no longer be toggled into the active status; and,
1112

1113 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin calls for a new system to be
1114 developed that can add security and be concurrently updated to prevent fraud.
1115
1116

1117 **2022 - 42 LEGAL RESIDENCY TO DETERMINE VOTING RESIDENCY,**
1118 **INCLUDING COLLEGE STUDENTS**

1119 **WHEREAS**, Wisconsin Universities and colleges use legal residency to determine resident and non-
1120 resident tuition based on the lack of contribution to Wisconsin's tax base from non- residents; and other
1121 states require a years' worth of wage records to apply for resident student status; and allowing non-
1122 residents to help determine the political landscape of states, districts and precincts they have no
1123 intention of remaining in is antithetical to a representative form of government;

1124 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1125 assembled, urge the Governor, the State Assembly and the State Senate to work together to pass state
1126 law(s) that disallow voting by non-resident and non-residents students of any kind, under penalty of
1127 perjury.
1128
1129

1130 **2022 - 43 CLOSED PRIMARY**

1131 **WHEREAS**, it stands that the State of Wisconsin has an Open Primary Election system. This allows
1132 for non-official party members to seek political office under the Political Party umbrella of their
1133 choice. This causes much internal and external pressure within party caucuses; furthermore, this
1134 causes increased confusion to the voters. It is vital to the viability of the Republican Party's future
1135 platform and success in elections that we broaden the scope of prospective candidates, current
1136 candidates, and future candidates by allowing for a closed Primary System. **FURTHERMORE**, A
1137 Closed Primary system eliminates the need for a public endorsement of preferred candidates from the
1138 Republican Party, as the preferred candidate is already a member of the Republican Party. A Closed
1139 System also helps build a broader coalition within the Republican Party umbrella. This is absolutely
1140 vital for the survival and viability of the Republican Party of Wisconsin;
1141

1142 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1143 assembled, calls on the Wisconsin State Legislature to enact legislation that creates a Closed Primary
1144 System; and,
1145

1146 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin asks that other counties
1147 follow suit in calling for establishing a closed primary system.
1148
1149

1150 **2022 - 44 DISSOLVE THE WISCONSIN ELECTION COMMISSION**

1151 **WHEREAS**, free and fair elections are the cornerstone of the American Republic; and,

1152 **WHEREAS**, the American Republic has a government of the people, by the people and for the people,
1153 relying on the faith and trust of all citizens in our electoral process and the rule of law; and,

1154 **WHEREAS**, numerous changes have been adopted during our history to improve the electoral process
1155 and strives to ensure all eligible voters have the right to vote, including the 15th and 19th Amendments
1156 to the Constitution as well as the 1965 Voting Rights Act; and,

1157 **WHEREAS**, in 2020, the election laws of Wisconsin, beginning with the Spring election and continuing
1158 through the November election, were allowed to be violated by directives of the Commissioners of the
1159 Wisconsin Elections Commission (WEC); and,

1160 **WHEREAS**, the WEC denied both Green Party and Birthday Party candidates for President access to
1161 the ballot, refused to purge over 200,000 inactive voters from the voting rolls as required by state law
1162 and the Electronic Registration Information Center (ERIC) system, allowed clerks across the state to

1163 accept online requests for absentee ballots using the indefinitely confined elector status without
1164 providing identification and instructed clerks to cure absentee ballots with missing information on the
1165 mailing envelope in contradiction of state law; and,

1166 **WHEREAS**, ballot harvesting occurred in cities across Wisconsin which created unequal treatment of
1167 voters in rural and urban areas, in violation of the US Constitution's Equal Protection Clause; and,

1168 **WHEREAS**, the Wisconsin Election Commission waived the requirement for Special Voting Deputies
1169 allowing untrained facility staff to conduct elections in nursing facilities; and,

1170 **WHEREAS**, the 2020 Wisconsin election was one of the most controversial elections in state history;

1171 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1172 assembled, calls upon the Wisconsin Legislature to hold hearings and investigate irregularities in the
1173 elections of 2020 and to hold accountable the agency that has caused such unprecedented turmoil; and,

1174 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin hereby calls upon the
1175 Wisconsin Assembly, Senate and Governor to pass laws to impose severe financial and incarceration
1176 penalties for those engaged in ballot harvesting or any election law violations as well as for those who
1177 permit these illegal practices and those who provide guidance in contradiction to Wisconsin Statutes;
1178 and,
1179

1180 **BE IT FURTHER RESOLVED**, that the Republican Party of Wisconsin hereby calls upon the
1181 Wisconsin Assembly, Senate and Governor to eliminate the Wisconsin Elections Commission, and the
1182 state legislators should resume their rightful and constitutional duties to certify electors, as identified in
1183 Wisconsin law and the US Constitution Article II, Section 4, Clause 1, never again delegating their
1184 lawful authority.

1185

1186 **2022 - 45 USE OF PAPER BALLOTS**

1187 **WHEREAS**, recent elections have cast doubt on accuracy in the use of electronic vote tabulation; and,

1188 **WHEREAS**, many voters no longer trust the election results tabulated electronically; and,

1189 **WHEREAS**, manually counted paper ballots have been used for decades without voters distrusting the
1190 results; and,

1191 **WHEREAS**, observers can easily observe the counting of paper ballots ensuring the accuracy of the
1192 tabulations;

1193 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1194 assembled, demands that future elections in WI be done exclusively with hand tabulated paper ballots,
1195 tabulated by not less than three election log workers, and all ballots be secured and guarded by certified law
1196 enforcement with a chain of custody log for a legislatively required preservation period.

1197 **2022 - 46 SAME DAY TABULATION OF BALLOTS**

1198 **WHEREAS**, early or delayed counts of absentee ballots can be fraudulently tabulated or manipulated;

1199 **NOW, THEREFORE BE IT RESOLVED**, that the Republican Party of Wisconsin, in convention
1200 assembled, that all votes, in-person and absentee, should be tabulated on Election Day.
