

Dean Neubert To Announce A Write In Campaign for Assembly District 6

September 7, 2022

Hortonville, WI –Republican Dean Neubert to announce a write-in campaign for Assembly District 6.

“Respect for our electoral process is critical for democracy to work. As a Republican, I believe in supporting the candidate who wins hard fought primaries to ensure our voice will be heard in Madison. I was prepared to do just that in my Assembly District 6 race. After the primary troubling issues have arisen that were kept hidden from voters: Violent criminal charges and deceptive behavior from the Republican primary winner has concerned many in the district, myself included. I feel compelled to enter into a write-in campaign. The overwhelming support by the communities in Assembly District 6 lead me to conclude a write-in campaign will work to win our seat. This election is about honestly, integrity and leadership my opponents have demonstrated that is not their priority. We need a representative that will be a voice who will stand up for small business, election integrity, pro-life values and family paychecks. I wish Peter the best of luck in life, but we need someone who is a steady disciplined leader, not a distraction.

Dean is a husband, father, business owner and youth sports coach. He is active in his local community and involved with his local republican party.

Join Dean Neubert and his team on September 8th for his campaign kick-off stops. Mr. Neubert will be available for Press Inquiries.
